Becky,

You'll never know how much  
I enjoyed Photo. with you.  
You really are a sweet person.  
I know that you and John  
will always be together. I  
still think you ignore me  
in the halls when I say  
hi! You're really a special  
kind of person.

MARK MONROE

Becky,  
Well it's been a lot of fun these past 8 years and I hope  
you have a blast at Tech, I know you will. Becky your  
one of my best and oldest friends, you always seem to  
help me out with the girls thanks for that, hope  
to see you a lot this summer, and whether you know  
it or not I driven by your house more than any  
other guy haha Good Luck, *[Signature]*

Becky,

It been a lot of fun hasn't it maybe will  
see each other this summer, I bet will  
have fun at the Prom, or atleast Drunk, It's  
been great listening to you grip about that Susie  
or what ever I'm glad I got to know  
you Love Steve

P.S.

Invite me to you and John's wedding

Becky  
Gosh, I feel  
kinda lucky to be  
able to say I have  
known you since elementary.  
I have known you along time,  
and hope I will get to see  
you more in the future. ~~Don't~~  
If you need to have  
someone drive the car  
I'm always available.  
Stay out of trouble.  
Your friend

# FROM DARKNESS TO LIGHT

## GREETINGS:

Enjoy your 75-76 Trinity Triune!

The photograph below is in many respects a striking graphic. The time is around 6:30 a.m., or about the time you are turning over, pulling up the covers — for that last involvement with sleep. The sun is up, but is doing justice only to the stretch of cloud hanging effortlessly over the metroplex. If you peruse the graphic close enough, you may indeed make out the form of the Trinity High physical facility. However, that form is rather vague, somewhat distasteful graphically — and obscure. Darkness has a strange uniqueness about it . . . “I am afraid in the dark . . .” — “Don’t let anyone inside when it gets dark . . .” Yes, like the moth, we like to be where the light is.

At 8 a.m. the lights come on in many respects for the physical plant, Trinity High. To be sure, hall lights and classroom lights — idle during the darkness — begin to pop on. But more

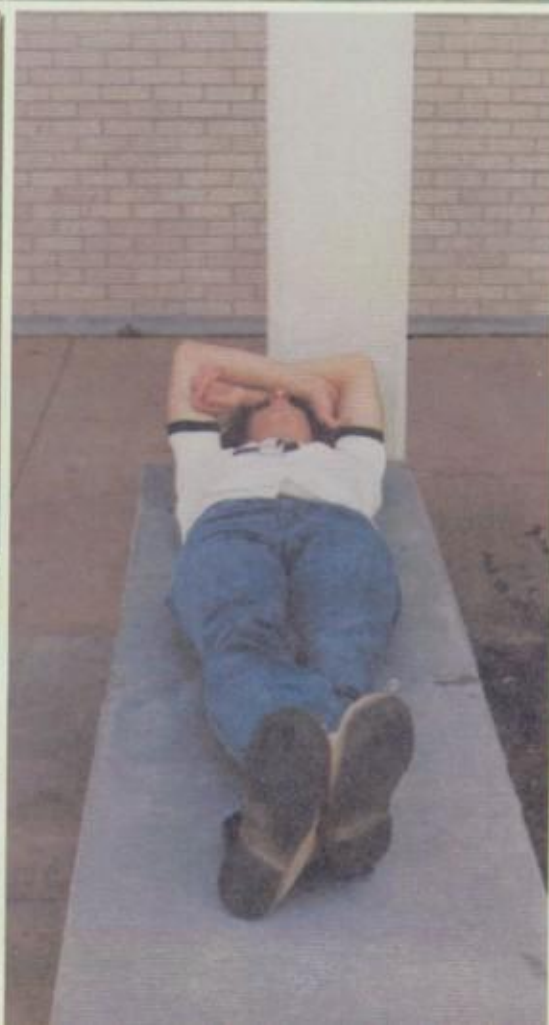

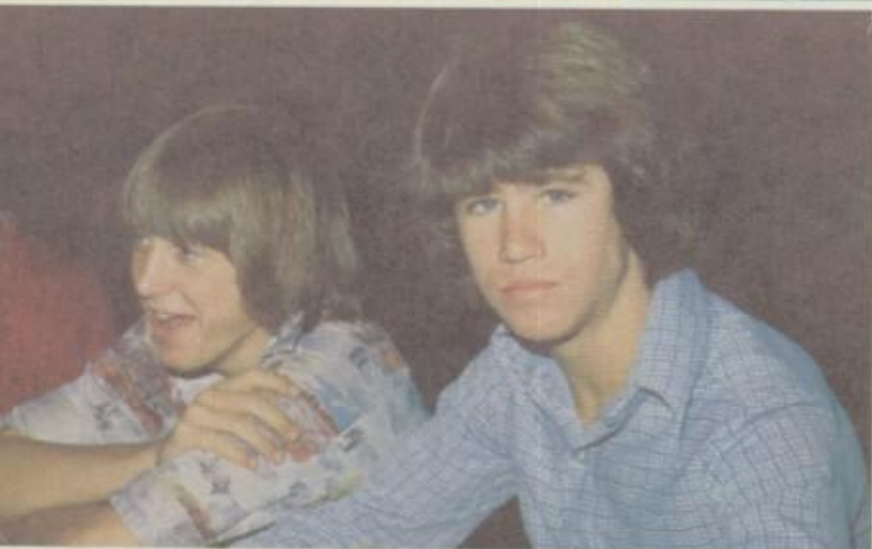

important, the real light that radiates about Trinity — STUDENTS — begin to track in — as do ants to the hill to touch familiarity. By 8:25 a.m., the student controlled rheostat opens full, and the Trinity seen below, in just two hours, turns to the LIGHT exemplified in the graphics opposite this page.

Students provide the light . . . erase the obscurity of high school. You and your varying lights have been captured on these pages involving student life, and this thrust away from darkness finally culminates the objectives and goals of each student into what the 75-76 Triune staff considers to be the reality known as the American High School. Our look is introspective . . . what makes the high school tick? With the Bicentennial as impetus, the following pages do nothing more than try to answer that question — and in doing so reveal and review STUDENT LIFE, that element that makes the Great American High School.

# STUDENT LIFE PROVIDES THE LIGHT

# REGISTRATION:

## A Primer for Future Paper Work and Brain Sweat

Though the Trinity student is somewhat unaware of this, his or her education begins with the registration process, not in the classroom. That will surely follow. Registration, in a sense, prepares one for that moment when, to save time, he or she gets into a shorter line at the bank to deposit a paycheck, only to find the last person in the long line serviced way before he or she is — and is home watching the six o'clock news as you reach the counter.

Trinity High is blessed with a competent registrar, Mrs. Juana Hill — and she cares about doing a good job for the student. She is backed by Counselors Taylor, Ingle, Chandler and Goss, who care. This caring for the student shows in the organization behind the student registration . . . Oh! How well the peccadillos of those

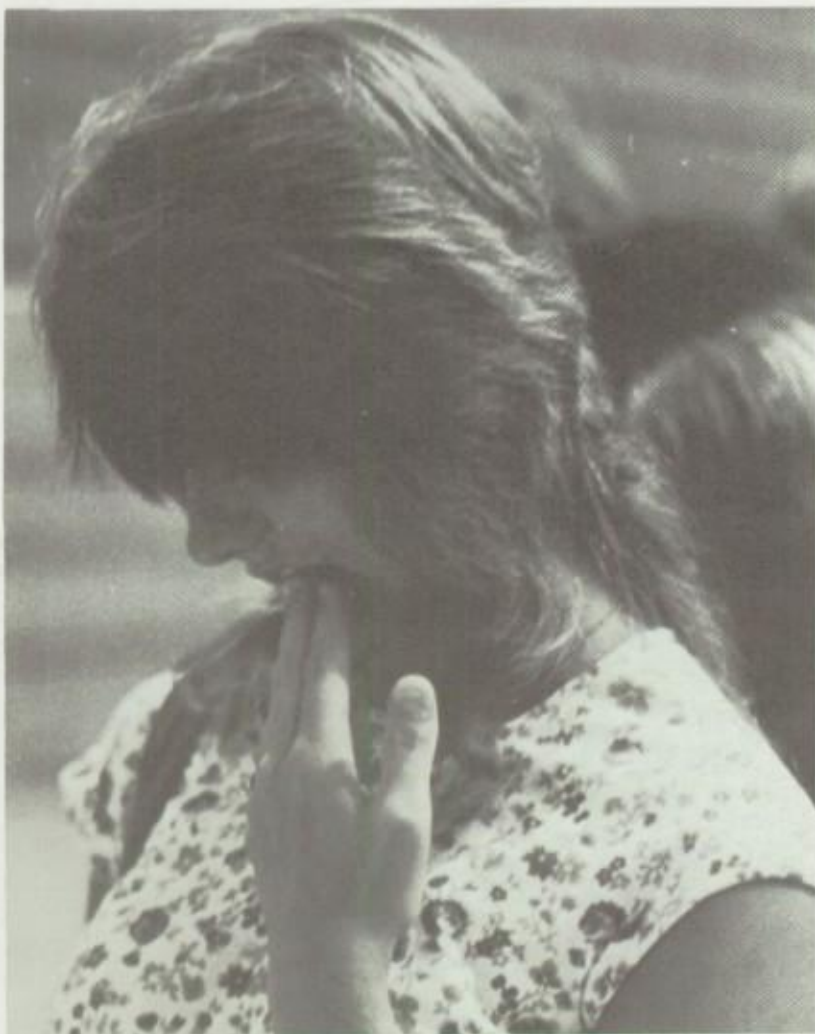

August days are remembered, but who said registering 2000 kids is a cake walk?

Registering for school has followed us from grade one. There must be an orderly exchange of information from student to school, for many officials are involved on the receiving end of this information. For example, the counselor must know students' credit situation, the attendance office must know where you are (or aren't), central administrative staff need students for the average daily attendance records for financing, and the teacher needs your name to learn quickly so that he or she may educate you.

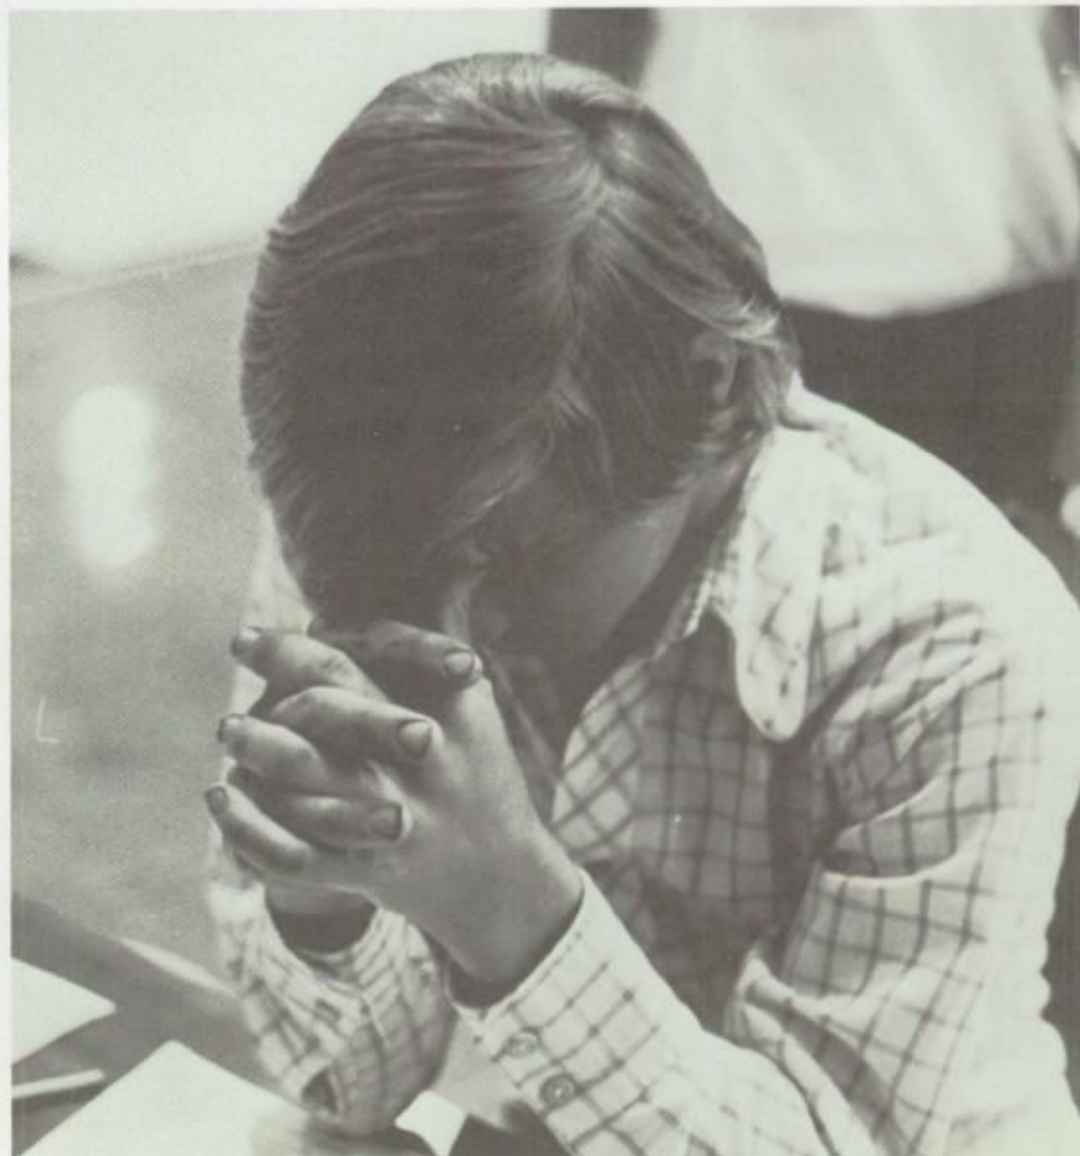

Finally, the individual who aided your cause at registration, then a stranger, is probably now a close friend.

Ah! The self-explanatory smile of getting the courses and teachers wanted without a hassle.

Should I switch Geometry to fourth and take English second, or . . .

As with all complicated items, frustration seems to always be present. It was at August registration.

A basic symbol of the pep rally is the megaphone.

## THE PEP RALLY: Spirit Builder

**RAH! RAH! RAH! MINN-EE-SO-TA!**

The beginnings of our modern Pep Rally. History reveals that in 1898 a frenzied spectator leaped from the stands and shouted that phrase. Two — then three, 15, 200 joined in. More yells were originated to aid the team to victory and show them their following was backing them. RAH! RAH! RAH! SIS BOOM BAH and LOCOMOTIVE LOCOMOTIVE CHUG! CHUG! CHUG! soon followed. Organization and yell leaders came about.

Throughout its development, the pep rally has served as a vehicle for every student to express his or her support for the alma mater. Bands, drill teams and spirit groups add their support.

At THS, favorite yells include "Victory," "Two Bits," and "Arkansas." Also, emphasis is placed on the class yell competition, with the winning class receiving the SPIRIT STICK for the week. Basic to the pep rally is its uniting force from individual to body corporate. A sense of belonging is established. A common cause is at issue. Pep rallies will be with us because of that common bond.

Many factions and organizations go into making the pep rally at Trinity successful.

## PARADE DEBUT MARKS '75 HOMECOMING

Trinity Homecoming '75 made a place in history as THS instigated its very first Homecoming Parade. Organizations and floats comprised the parade, which wound through the streets of Euless preparing the way for a satisfying victory against Wichita Falls Hirschi.

Actually, preparations to welcome exes of Trinity are initiated soon after the fall session begins at THS. Organizations plan and create hall decorations that fit a certain theme encompassing the particular year. For example, the '75

theme was Trinity's Heritage; Spirit of '76. Along with decorations, each class is responsible for a float depicting in some way the Homecoming theme. Competition for the best float is keen, and the winner is announced during the pep rally before the game.

Every Homecoming must have a Queen and Court, and Trinity had as its representatives Coleen Houston, Debbie Johnston, Carrie Proctor, Jan Guest, Jo Harp, Suzanne Fazende, Laurie Pasteur,

Charla Wetli and Homecoming Queen Tammy Kranz.

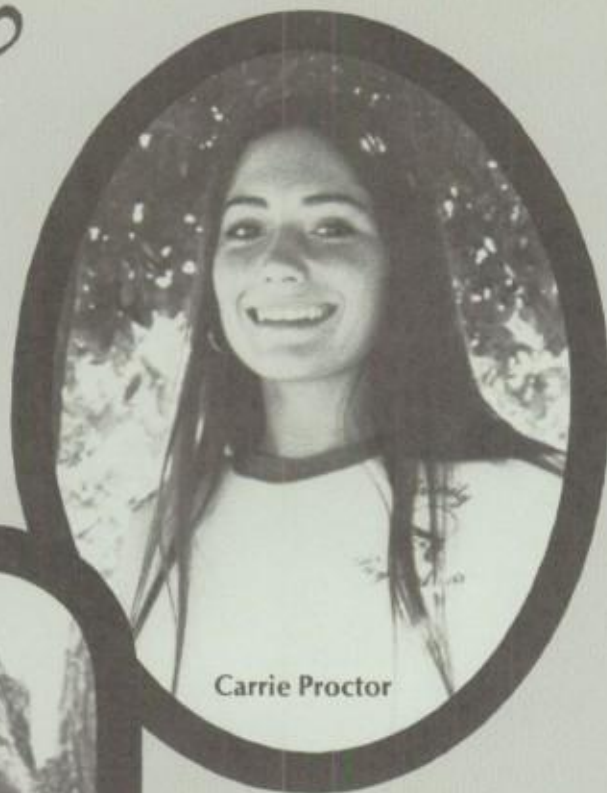

Band, drill team, football team plus the Court and Queen provides festive entertainment at the Homecoming game.

An after-game dance is usually provided for both present Trinity students as well as Trinity exes.

After all of the festivities are over, the only item left on the agenda is for the girl to mount her trophy on the wall of her bedroom.

## MAME

Boasting a full house during all three nights of production "Mame" hit the stage Feb. 5, 6 and 7 at Trinity. Christi Chambers starred as the independent "take each day as it comes" character who viewed life in non-conformist fashion. Supported by performers Cathy Stoltze, Philip Voise, Jerry Betsill and Sara Hill, the quality of "Mame" was of the highest standards. "Mame" was the result of a class entitled Musical Production — a new class at Trinity which majored specifically in play production. Due to the combined efforts of the Drama, Art, Band and Choir students, "Mame" was not only excellent in the field of acting, but in the areas of scenery, orchestration and music as well. The continuation of Musical Production at Trinity depended solely upon the success of "Mame's" overwhelming acceptance by the community, "Musical Production" will continue at Trinity High School.

## TRINITY FACULTY PROVIDES ENLIGHTENMENT

Teachers and administrators appointed to lead students to knowledge through classroom procedure also lend their ideas, time and hard work to insure the scales are balanced as to extra-curricular activities.

Each educator at Trinity realizes that education does not stop when a bell rings, but continues through relationships and communication built around extra-curricular activities.

So to the ingredients that make up student life at Trinity — learning leaders must be added. Those who really care in some way shape a student's personality for the rest of his or her life.

## ALL SEEK

Could it be that with the '70's a more liberal trend is flowing in high school life? Is a more permissive attitude the call for the day? Perhaps the key word is realization . . . that discipline must be tempered with the right of a human — be he or she a student. On high school campuses smart administrators have realized that for a general well-being among students, privileges can be afforded the student while still maintaining the discipline required for effective education to function.

Such strict rules as the dress code have been changed . . . Many students now have the option to take first or fifth period off and seniors have the privilege of

## THINGS MODERATION

open lunch. Privileges are numbered though, and though there is a mood of liberality at Trinity, many rules have been inflexible with the changing times. Truancy is still treated in much the same manner as it was when parents attended high schools. In school suspension or a Saturday D-hall. A male student must be clean-shaven. Sophomores and juniors must eat lunch at THS.

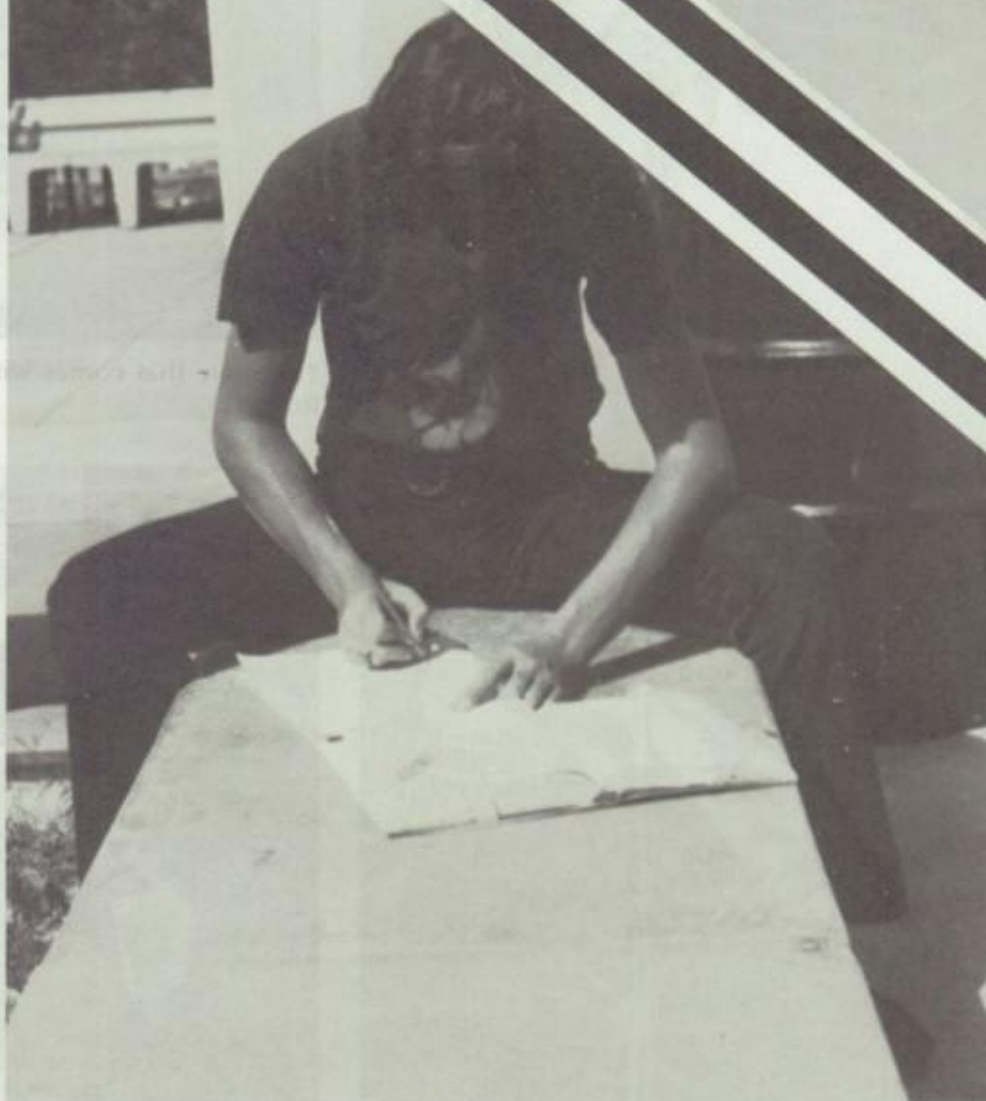

A contrast of a liberal and conservative situation reduces to moderation. And to teach oneself discipline, the backbone of the educative process, moderation is the key.

## A COMBINED EFFORT

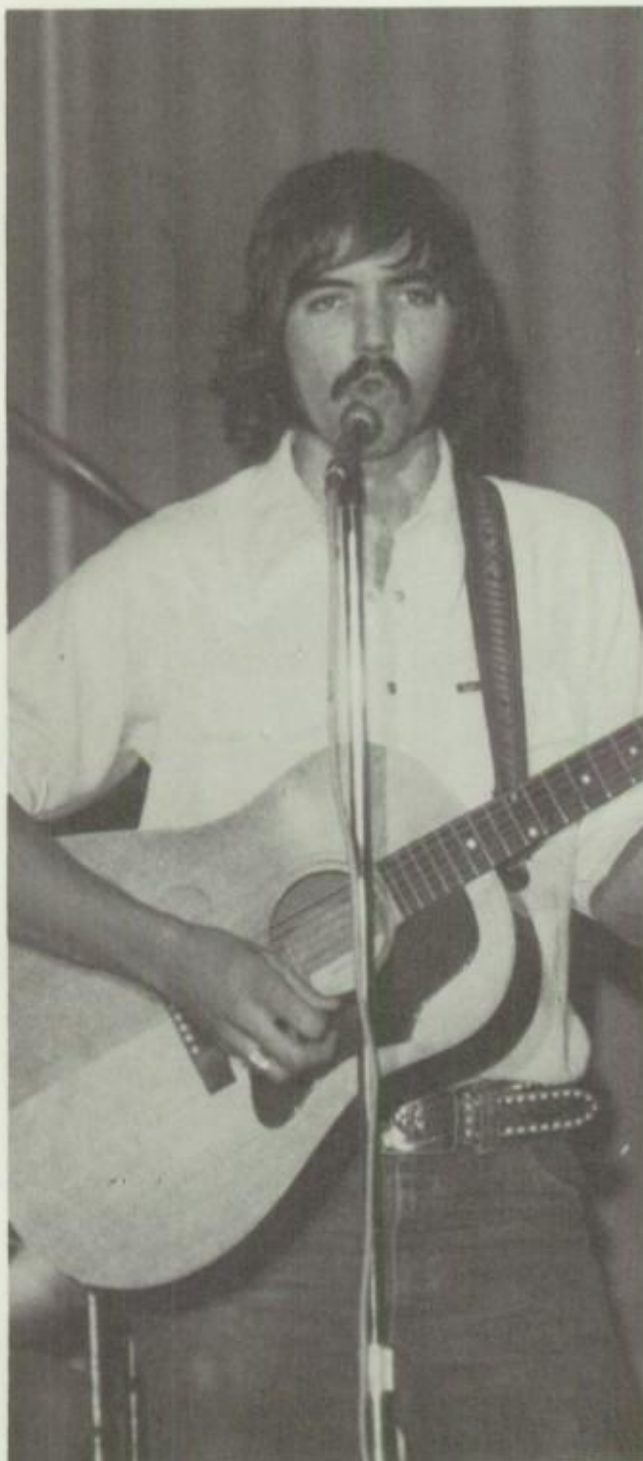

Vocal director Philip Ware takes bow after a boys choir performance.

Organizational life at Trinity High is as varied and diverse as the students that participate in it.

For just about every interest, hobby or creed, there is an organization to belong to.

The sense of belonging to something one believes in reverts back, perhaps, to that first Continental Congress that set the unity and "all for one" motivation that produced this country.

Organizations at Trinity let an individual's talent combine with those of other members of a group to produce a common objective. Fun, fellowship and a sense of obligation to the cause make the organization a collective, creative individual.

Organizations bring personalities to perform before the THS student body.

# SPORTS CREATE SPIRIT AT THS

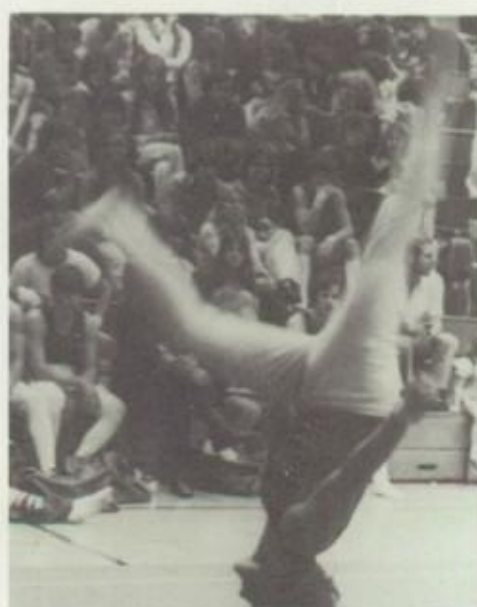

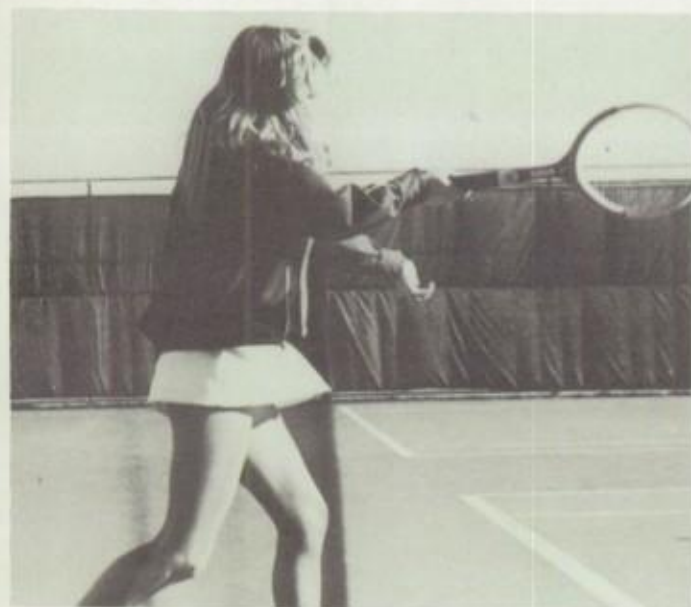

Sports. Pictures flash instantly through the mind. Racers take their mark; get set; then bang! Shots go off in the air — legs stretching for the finish line. Crowds cheering as their football team scores the winning touchdown for their alma mater. Basketball players dash down the court — air filled with emotion — fans shouting their support. Swimmers gasping for air — lungs bursting as they make a final attempt to be first in the race. The cracking of a bat sounds off — a baseball soars far in the outfield — another homerun scored. Amid all this excitement, one realizes how sports plays an important role in everyone's life — including that of the students at Trinity High School.

Early school days saw little or no kind of physical fitness programs for students. People failed to realize the importance of physical fitness in its ability to help the student be more alert, agile and quick. School days were quite monotonous until the late 1800's, when such universities as Yale began to understand the value of physical development. However, physical education programs as they are known today were not in existence until after World War 1, when it was learned that more than half of the nation's young men were physically unfit for combat service. Due to this disclosure, state laws were soon passed that required schools to teach physical education. Therefore, it is through individual state's efforts that physical education has advanced to its present day form.

Organized sports of today are the results of yesterday's physical fitness programs. Organized sports: better known as athletics, offer such activities as football, basketball, baseball, swimming, gymnastics, tennis, golf, track, and volleyball to all students interested in physical fitness. These sports are all designed to teach a student to be quicker, more agile and alert. They also teach students how to co-operate with each other and to strive to be best in what they can do.

Although sports have been offered in high schools for the past thirty years, boys have been the main ones to participate in them. Girls did not take such an active role in sports because it was not considered "ladylike" to do so. All that has changed, however, in just the past ten years. With the coming of Women's Equal Rights, the sports world has seen a drastic change. Girls have come out more and more each year to participate in all major sports such as football, track, softball, etc. Due to a Supreme Court ruling several years ago, it was held that girls could either play in the same league as boys, or start their own girl's league. As a result, many high schools throughout the U.S. are sponsoring girl's leagues. There has been much change in the field of sports since physical fitness programs were first developed in the late 1800's. It can be assumed then, that we will continue to change in the years to come.

# A BREAK IN THE DAY: AN ASSEMBLY

"Assemblies should be more than just something to get you out of class, they should have a purpose."

"I'll have to say that assemblies are for our benefit."

"... break up the monotonous schedule of the day."

"Assemblies are to help school spirit, but there is too much apathy around which makes them boring and useless."

"Because of the basic instinct of all students to escape classroom clamor at the earliest convenience, I generally enjoy the change of pace an assembly provides. It's not quite graduation, but it's

a step in the right direction."

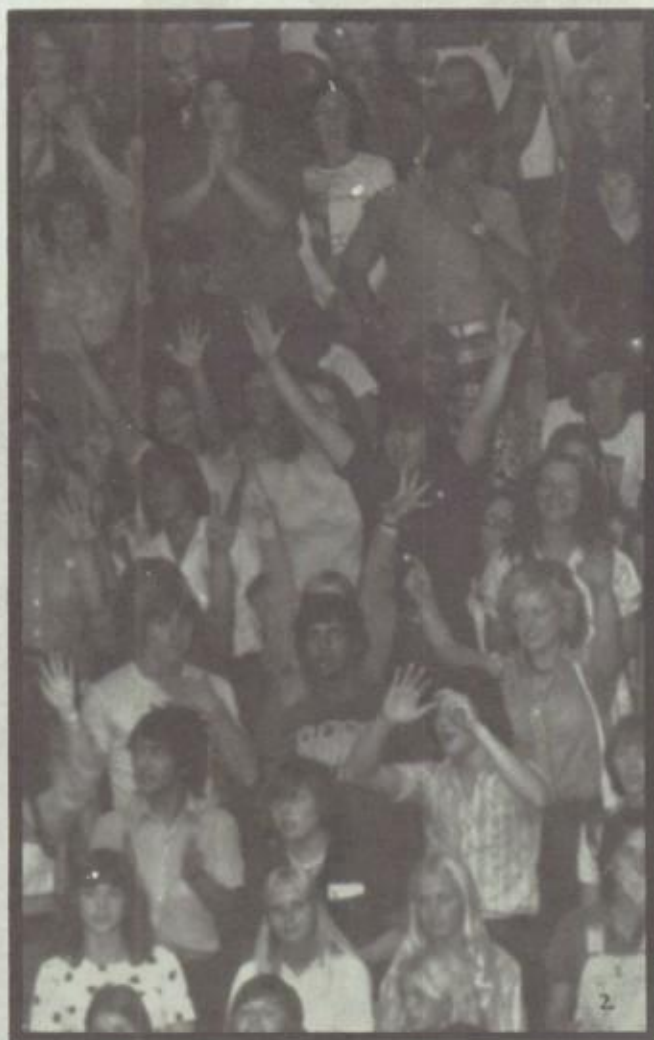

Assemblies at THS provide entertainment, promote school spirit, and become a vehicle for the airing and possible solving of problems that confront we, the Trinity High students.

Entertainment usually involves a performance, perhaps a band, with ultimate purpose being students happy and club coffers supplied with new-found funds.

Pep rallies for athletic endeavors unite students in the common cause of school spirit, with class competing against class for the Spirit Stick.

Assemblies at THS also serve to bring students together to present problems that confront high school life. A goal of this type assembly is to see students united to solve or attempt to solve the problems at hand. Usually students are afforded the opportunity to present feedback to administrative personnel, for all give and no take presents an unhealthy situation.

Assemblies with a purpose, no matter what the means to that purpose might be, are worthwhile, they further expose the student to the variety of life.

# WATERGATE BUS STOP HUSTLE SPIDER

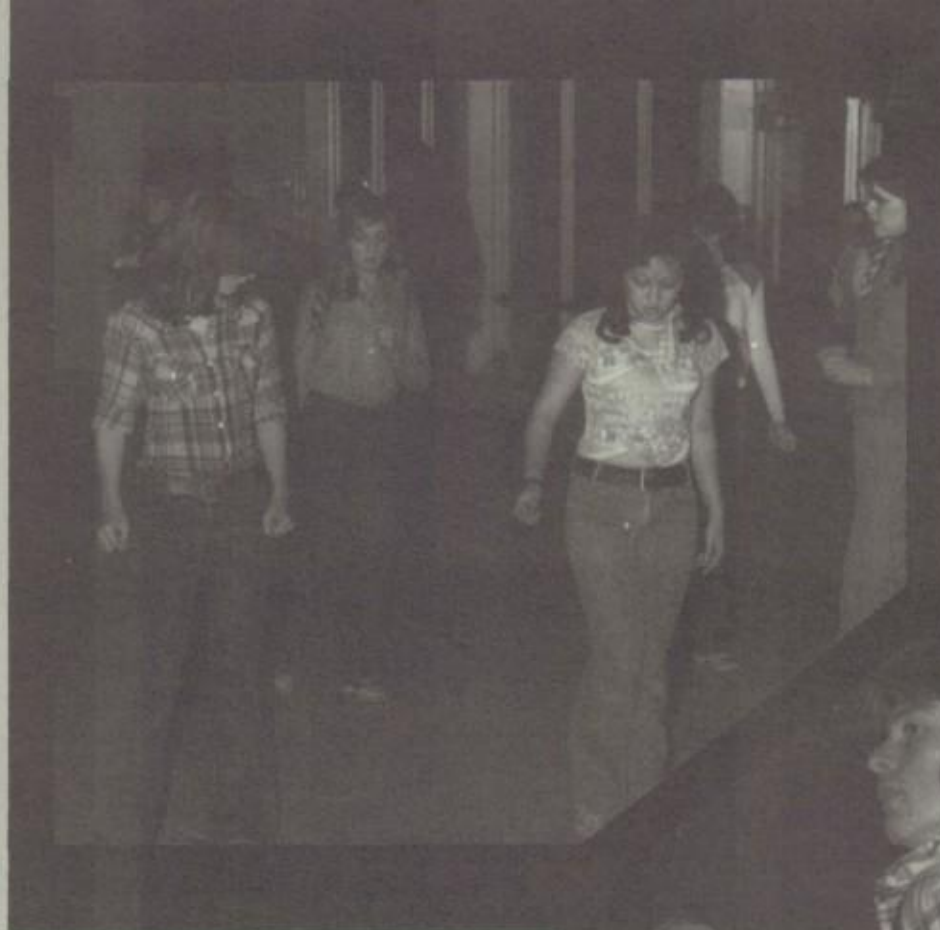

DISCO 76 — Seniors sponsoring their own kind of dance complete with a disc jockey from a local radio station playing everyone's favorite music. Dance contests. Ladies' Choice. Men's Choice. Lots of fun. Success for the Senior class and a good time for everyone involved.

HOMECOMING DANCE — Western decor. Live band. "Sagebrush" performed. No fancy dresses or homecoming mums, just blue jeans and gingham shirts. Yee-hah, Plenty of dancin'. Country western singing galore.

HOWDY DANCE — 75-76 cheerleaders bring all students together after the first home football game. "Titus Oats" performed. Everyone showed. A good time and good dancing. Success for the cheerleaders — new friends among students.

# HANGOUTS PROVIDE CONTINUING EDUCATION

for the THS student — for surely comment about the day's activities in the classroom carry through those hours of sitting and chatting — grinding out the philosophy of "under twenty" — at the local drive-in.

Hang outs have been with the high school student for a long time — they are part of his regimen. When a student feels hunger pains after his second period class, what does he do to satisfy his need for food? If a senior, he has his heart set on one of the eateries on this page. When a student feels the need for socializing about current events in his life, where does he head? To a local hang-out, to be sure. In this ever-changing society one item for the high school student never changes — his need for a hang-out.

Wells White takes a break from school activities for sustenance and conversation.

Home cooking and atmosphere is what Bret Jetton enjoys at Reta's Cafe.

# A LOOK INTO YOUR FUTURE: COLLEGE DAY

College Day was a new item on the Trinity campus this year. In years past, THS has had a college night. Many colleges were represented and interested students and parents were invited for the presentation. This year sessions were held during the day permitting all students to attend. This year was also different in that not only were colleges represented, but also vocations. Each student chose three exhibits that interested him and spent thirty minutes in that room.

Auditioning for drill team tryouts involves much practice and sweat before the actual performance. For the girls trying out, a friendly reminder is above this cutline in a series of pictures involving the "step hook-hook," the "bounce kick," and the "finish 1-2-3."

## Prospective

# ANNS - RAH-RAHS AUDITION FOR SPIRITED ROLES

Competition and pressure is seen as Debbie Holloway tries-out for cheerleader.

"Oh Gosh — I've got to lose ten pounds before this Monday!" "Get those kicks up — snap your heads — point those toes and sharpen your motions!" With the coming of Drill Team and Cheerleader Try-Outs more than 90 girls started practicing at Trinity during early morning and late afternoon hours. Practice for Drill Team tryouts consisted of learning two dance routines; one containing 36 high kicks and the other being a precision prop routine. Practice for cheerleaders included learning two cheers — one group and one individual. After one week of strenuous practice for prospective cheerleaders, and two weeks for prospective Troy-Anns, tryouts were held February 11, and February 13, respectively. When these tense days of pressure were over — how did these girls spell relief? C-E-L-E-B-R-A-T-E!

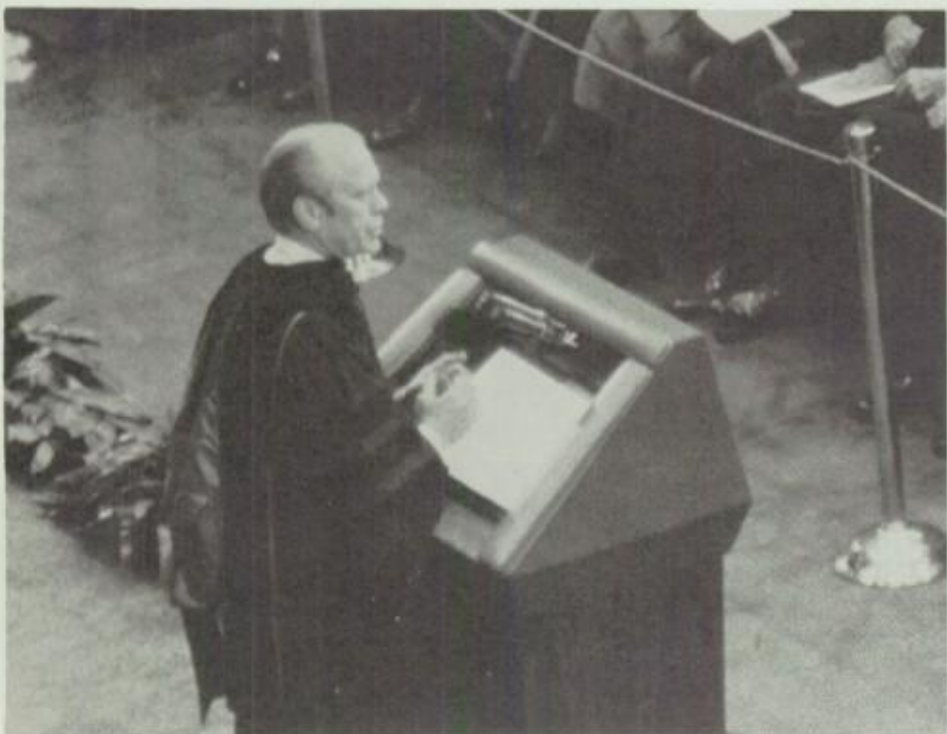

Sophomore Angie Ramos will be varsity cheerleader, 76-77.

Herkie as seen by returning cheerleader Beth Evans.

Sophomore at Trinity means a class yell to adopt, memorize and scream — teachers to acquaint oneself with — closed lunch.

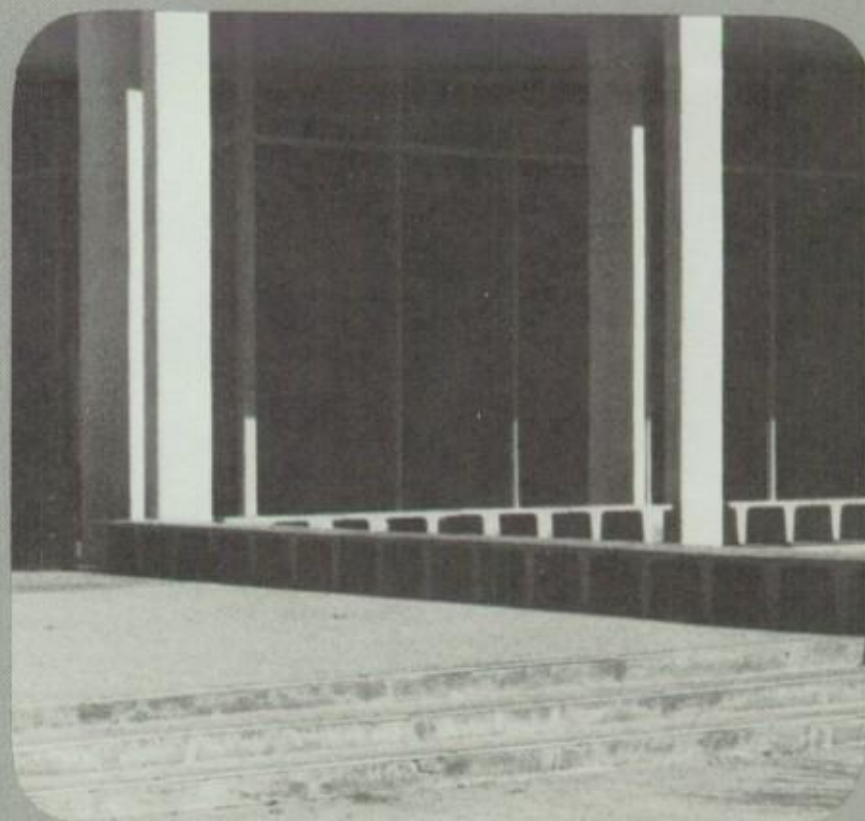

Junior means flux — the junior theme to write, PSAT to take — to anticipate the senior year.

Senior means finality — "That's all she wrote." Each pep rally, football game, dance date — accumulate in a senior's mind. As one near death views his life in retrospect — so a senior lives each item of high school days with knowledge the end is near. . . .

For the student at the Great American High School life is

*Christi Chambers*

Christi Chambers has been an active student since she came to Trinity. As a sophomore, she was a class officer and a spirit club officer. As a junior she was class Secretary and Drill Team Lieutenant. Her senior year, Christi, active in Thespians, had the lead in "Mame." She also served as Drill Team Captain. Christi plans to attend the University of Oklahoma after graduation. She would like to continue her drama studies and work with the news media.

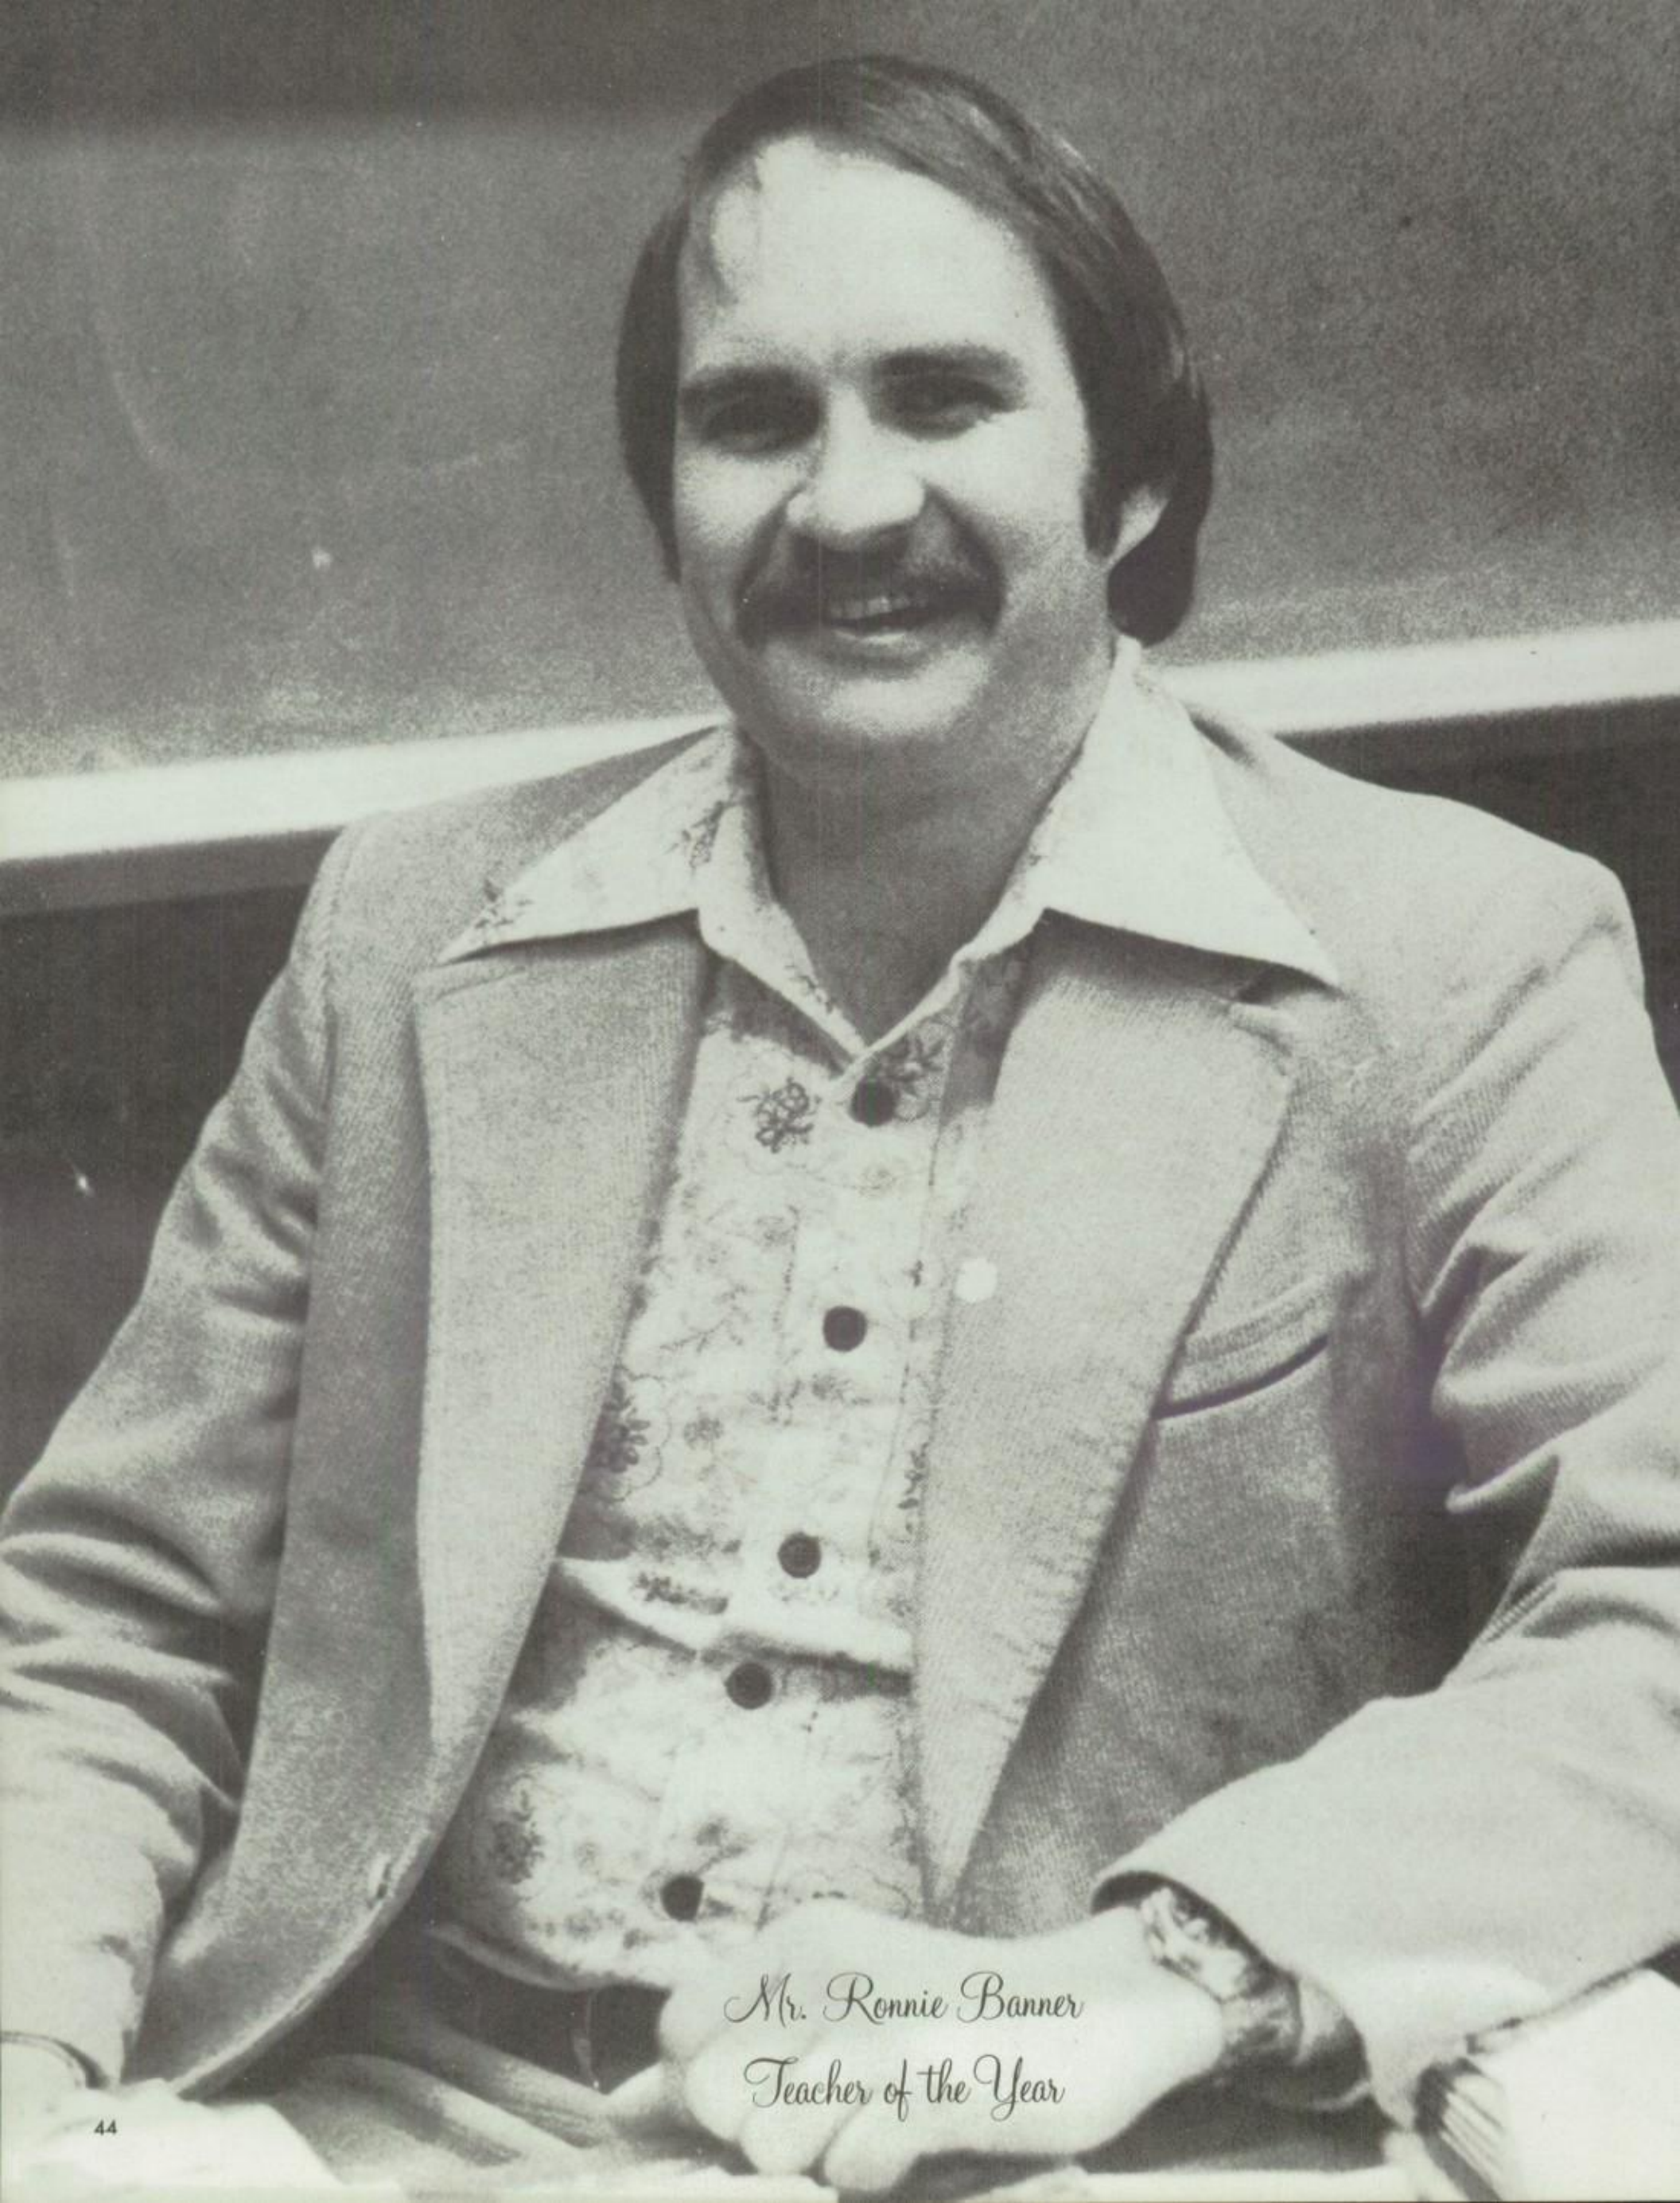

Tom Engle has attended Trinity for three years. During these years he has participated in many activities. In his junior and senior years he played defensive half-back on the varsity football team. Also he has held the office of Key Club President for two years and has been a student council representative. After graduation, Tom plans to continue to college and study law. Tom's other interests include baseball, stamp and record collecting, and listening to hard rock.

The Academic Building

The academic section is a new addition to the Triune this year. It consists of people who excel in given areas, Who's Who, Salutatorian, and Valedictorian. The Who's Who candidates are selected each year by the faculty based on a student's scholastic ability and interest in the subject. The top one and two ranking seniors receive the honor of Valedictorian and Salutatorian, respectively. These students work hard to achieve these scholastic goals and we the staff of '76 feel they should be honored.

# ***GREAT PEOPLE . . .***

Baby, I tell ya, you  
one of the luckiest  
people I know, you've  
got so much, I hope  
you always have success,  
you're sure have the  
possibilities to achieve  
anything you want.  
I wish we wouldn't  
had our indifference but I  
you know how jealous I  
are. I hope we can get in  
touch again sometime, you &

## STUDENT COUNCIL

The Student Council began the year with the preparation and distribution of I.D. cards. These cards identify the students and classify them for open lunch. On into the year, the Council sponsored the Homecoming Dance, and also Career Day. The members planned a project for Valentine's Day. The Heart'O'Grams were a part of this project. Sponsors of this club are Mr. Modie Wells and Ms. Patsy Daunis.

Above all else, the photo staff for the yearbook strives for perfection concerning pictures to be used in the TRIUNE. To be sure, no photograph is used that is out of focus — has scratches on it — or thumb prints on it. Also, the photography staff at Trinity strives for that certain amount of contrast between light and dark to avoid what is known as the flat print. To show all TRIUNE subscribers just exactly what a good photo page should be, the men of the lenses worked extra hard putting together graphically what should prove an award-winning page.

Perhaps no job on campus requires as much time and effort as does yearbook work. "Don't crop the picture that way," and "the picture will have to be done over," are phrases frequently heard, but disliked among yearbook members. At Trinity, the staff has worked hard to capture all facets of Trinity High School to show individualism through a collective sense.

The Palantir Staff is composed of writers, photographers, and advertising personnel who all work toward a specific goal: informing the students of Trinity High School about their environment. This dedicated group works long hours and is constantly striving to keep the student body more aware.

All staff members begin their newspaper careers in Journalism 1 and 2. Then they proceed to positions on the Palantir Staff; known as Journalism 3 and 4. Third year writers may enroll in a newly-formed course: Newspaper 1 and 2.

The Palantir is a member of the Interscholastic League Press Conference and participates in its judging and critiquing functions in the spring.

The total number of major and lesser offenses was 35,546, compared to 31,327 in 1974, for a 13.5 per cent increase.

Police said they "cleared by arrest" 26 per cent of the offenses.

The Thespians had a busy year with the production of "Rainmaker," "Mame," the Mad Show and a Spring production plus tournament involvement. One of the first activities included attending the Regional Convention in Spring, Texas.

The Thespians kicked off the year with an initiation party and treasure hunt, not to mention cast parties throughout the year. As an added pleasure, the group went to Granny's Dinner Theatre and saw "1776" and attended plays at T.C.J.C.

Along with the fun, twice as much work was put into productions and tournaments. The Thespians worked on the U.I.L. one act play, "The Enchanted," and directed the Kaliedescope Theater, an experimental production.

Throughout the year, the group continually brought in awards for their superior performances in the duet scenes in tournaments, Reader's Theatre Productions and State U.I.L. competition in Austin.

Sponsor for the group was Mrs. Jan Schronk.

# JUNIOR HISTORIANS — "PUT TOGETHER PIECES OF THE PAST"

Junior Historians — *First Row, L to R: Debbie Goble, Mona Lewis, Sallie Schnell, Tandy Rutledge, Jeannie Butler. Second Row: Laurie Frank, Sandra Fitch, Beth McGinnis, Carla Bright. Third Row: Bonnie Snider, George Brigman, Anita Howard.*

The Junior Historians are a first year organization under the sponsorship of Mr. Larry Jobe.

The group is made up of students who are proud and interested in their Texas heritage and want to find out more about the historical background of the people and places of Texas.

During the year, club members assisted in the collection of books, documents and other information about the H.E.B. area history. Putting together pieces of the past answered the question, "why is Texas the way it is?"

Club functions of the year were made up of collecting old recipes, diaries, letters and photographs, and sponsoring such activities as history fairs and cemetery analyses.

Although it is not required, the cheerleaders usually attend some type of camp in the summer to learn new cheers, new pep rally skits and different ways to promote spirit among the students. This year they attended Stephen F. Austin University in Nacogdoches, where they were awarded ribbons: three superior and one excellent. They also were honored by receiving the spirit stick four times, and being first runner up for the award of excellence. A new item brought home by the 75-76 cheerleaders was the "Spark Plug," an award decided by fellow cheerleaders who vote on the squad that displayed the most spirit and leadership throughout the five days at camp.

Cheerleaders this year are Coleen Houston, Tammy Kranz, Jo Harp, Beth Evans, Jan Guest, Michelle Monroe, and Jenny Montgomery.

Performing at pep rallies is one of the many duties that the cheerleaders accept.

TRINITY TROY-ANN DRILL TEAM

# TRINITY

In 1968, Mrs. Loretta Day began preparations for the first Troy Ann Drill Team by ordering uniforms and setting up try outs. Since the first year, the Troy Anns have grown in number from 35 to about 55 to 60 per year. The Troy Anns have always been known as a "precision-dance" group, but try to adapt all routines to their style. In past years, the Troy Anns have participated in several parades, one being the Cotton Bowl Parade. The Troy Anns traveled to New Orleans for the Mardi Gras in 1970.

*Front: Celeta Strahan. First Row: Debbie Cowman, Sandy Maxson. Second Row: Loretta Britton, Paula Hunt, Lisa Combs, Carol Dunn, Carrie Proctor, Phyllis White, Lori Bue.*

## PROVIDE PRECISION

Although hard work prevails, the Troy Anns are able to have a "fun" side too. Favors and good luck charms were presented to the football players at pep rallies. A Christmas party involving drill team members was held at Christi Chambers' home. In Feb., the Troy Anns had its annual Musical Review. During the month of March, the Troy Anns had their Drill Team Banquet. The banquet was held at a restaurant of their choosing and Troy Anns of the Year were announced. The Troy Ann Beaus were also recognized.

# TROY-ANNS

Any girl wanting to try out for drill team must meet special requirements. Since the initial year, girls have been required to be in Spirit Club for one year. Another requirement of the prospective Drill Teamer is to maintain a C average. Girls are required to try out before a group of National Drill Team Judges. With the opinions and judging of this group, plus the help of Mrs. Lois Nixon, dean of women, the next year's Troy Anns are selected. The judges rate the girls on such things as Coordination, Projection and dancing ability.

## AND ENTERTAINMENT

Each year the Troy Anns put much work into the routines they perform, beginning with football season and continuing into the basketball season. The girls perform at all football games, but only at home basketball games. In addition to regular performance responsibilities, the 75-76 Troy Anns performed at the E.T.S. Drill Team Competition and the first Trinity Homecoming Parade.

Trinity's Spirit Club as they march down Main Street during the Homecoming Parade.

Trinity's Spirit Club, made up mainly of Sophomore girls, promotes much of the spirit at the Pep Rallies and Athletic games. The club devoted much of its time painting posters to decorate the gym plus learning new cheers at the meetings they attended on Wednesday afternoons.

The Spirit Club was one of the organizations that participated in the parade for this year's Homecoming activities.

This organization, which boasts a membership of approximately one hundred members, is under the direction of Mrs. Loretta Day.

Texas Association of Health Occupation Students is an organization of students interested in careers in the field of medicine. It acquaints the students with the many challenges and opportunities available. Each member works at a job station related to medicine such as: nursing homes, dental offices, dental laboratories, hospitals, veterinarian offices, and orthodontist offices. This year TAHOS held officer installations in October. They had a hay ride and a Christmas Party in December. The club sponsored a blood drive on February 24 and sold calendar books and stationery to earn money. Ms. Melba Fritz sponsors the organization this year.

FBLA Members

Officers — Randy Schweyher, Philip Voise, Cindy Schweyher, John Askew, John Whitley, Coleen Houston, David Farison, Michelle Smith.

Future Business Leaders of America is an organization that promotes and develops leadership and business skills. This year F.B.L.A. attended district and state conventions and competed for honors in various skills such as shorthand, bookkeeping, talent, Mr. and Ms. F.B.L.A., spelling, vocabulary, speech, typing, and Parliamentary Procedure. Club president, Randy Schweyher, conducted the Talent Show and Contest at State Convention last year. The club always has several winners at state convention every year. The club plans to compete in both district and state competition at the conventions. One of the members, Philip Voise, served as District F.B.L.A. Vice-President. The club published and distributed the programs for the District Convention. Sponsors are Idis Chandler and Betty Karlick.

# TRINITY FORENSICS

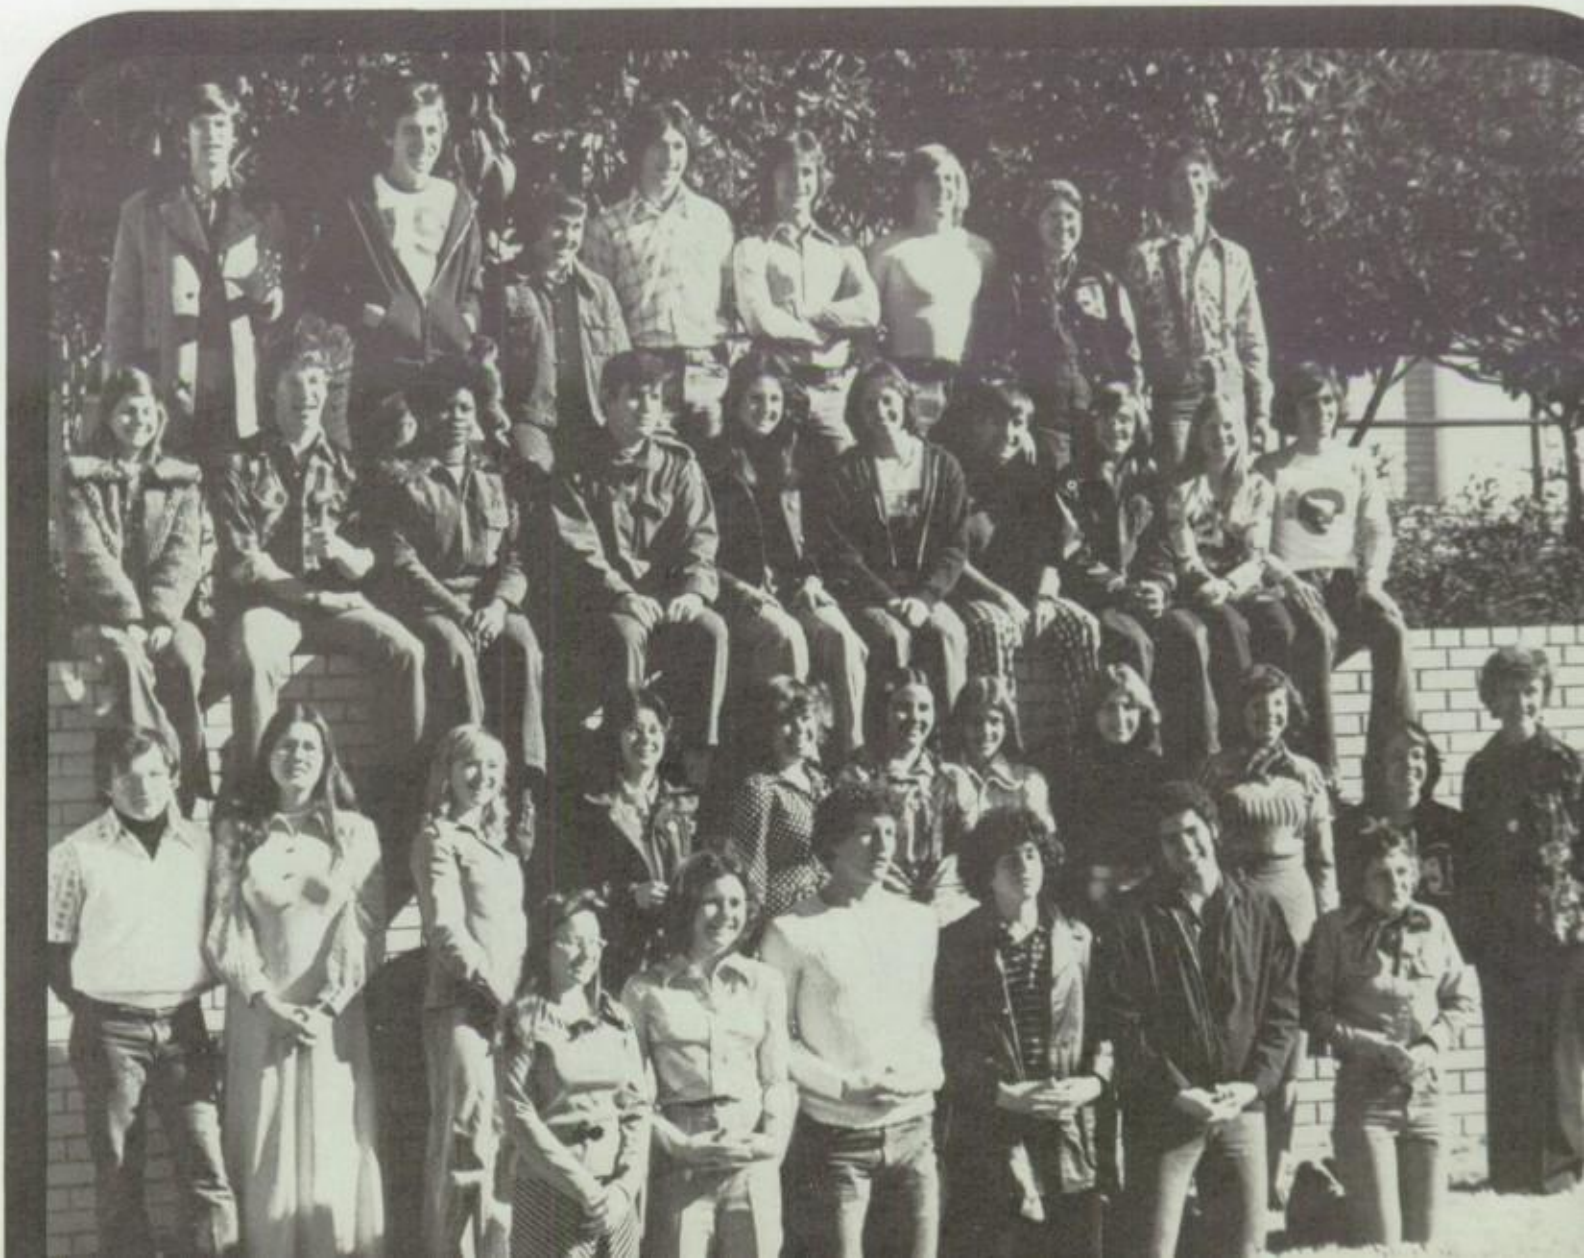

Along with Mrs. De Yeats, forensics sponsor, members of the group display trophies won at tournaments at area schools.

Students involved in Trinity Forensics compete in tournaments held at different times during the year. At these tournaments, students accumulate points to enter the National Forensics League. Among the tournaments attended this year, Trinity Forensics took first place in the Bell tournament. The sponsor is Mrs. De Yeats.

# ADVANCED CHEMISTRY CLUB . . . DEDICATED TO TOTAL ENLIGHTENMENT OF THE ELEMENTS

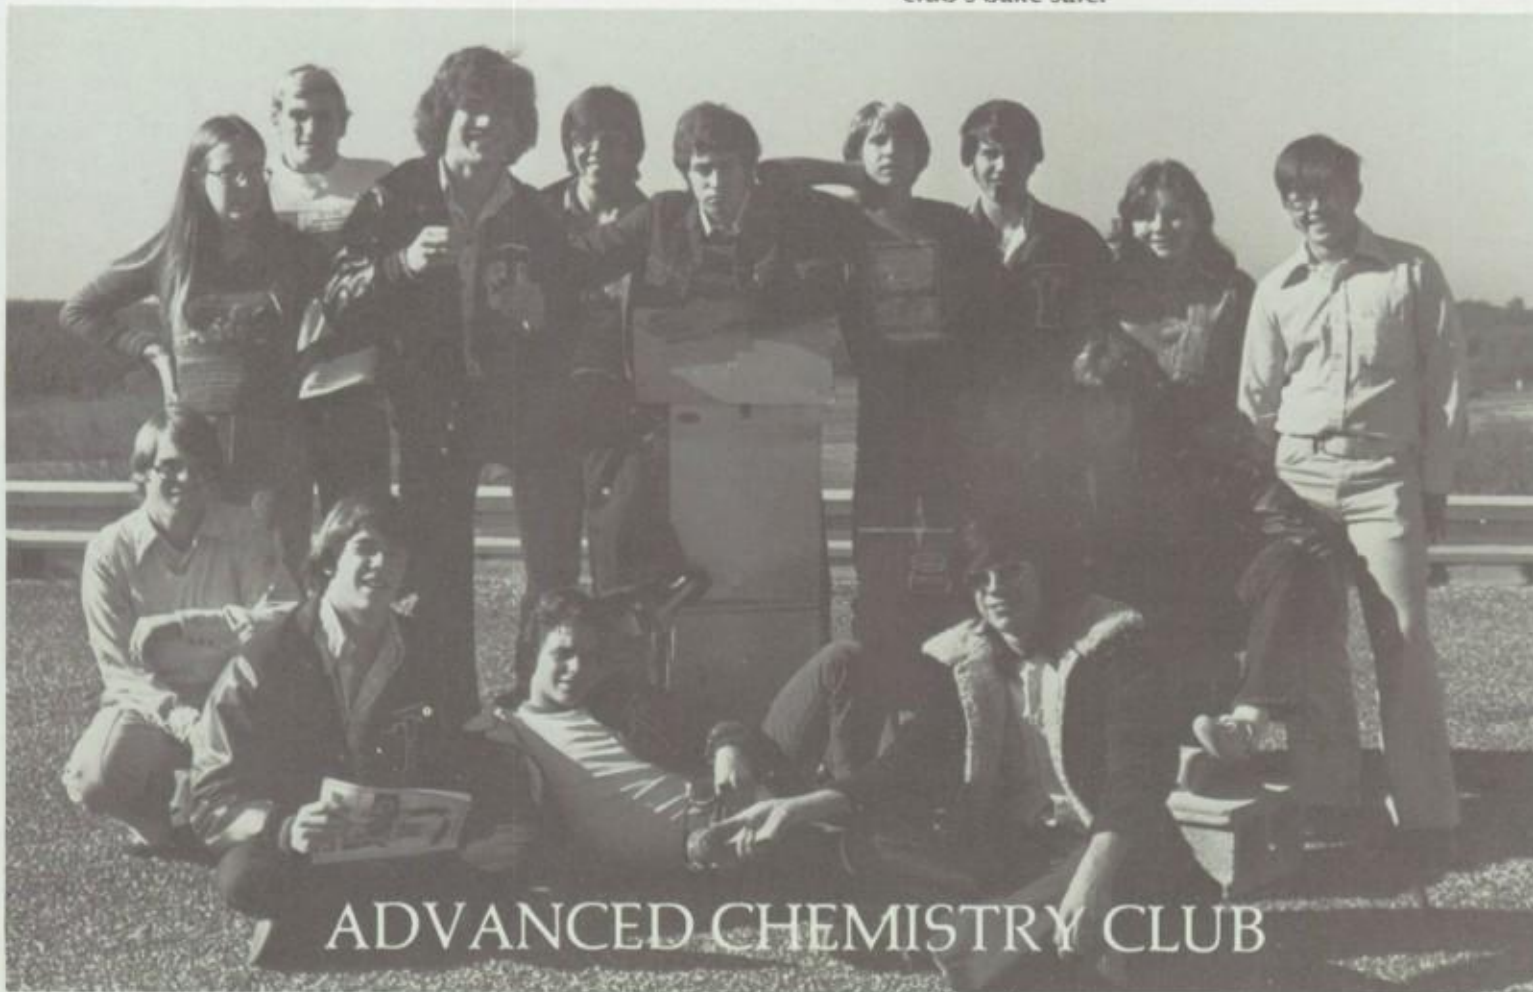

Advanced Chemistry Club sponsor Mr. Richard Ridlen.

The Society for the Advancement of Chemistry is a new club founded this year to advance the study of chemistry on the campus of Trinity. The club is active in Chemistry competition on State and National Levels. It consists of students receiving honors credit in Advanced Chemistry, and is sponsored by Mr. Richard Ridlen. The society as a group will be doing projects such as testing the blood of students on campus for the amount of carbon monoxide in the human bloodstream, and testing the sewage systems for water pollution. Individual projects consist of projects such as synthesizing organic esters, manufacturing calcium metal from limestone, and making photographic paper.

Club members Suzan Booth and Philip Perry and sponsor Mr. Ridlen prepare for the club's bake sale.

## TOP QUALITY ASSISTANCE OFFICE AIDS

Students who choose office help as one of their electives take on many responsibilities in the organization of the school. They are kept busy with such jobs as filing, operating the switchboard, working with attendance cards, and running errands. These devoted students help in the smooth operation of THS, and are truly appreciated by those who work with them. Mrs. Lois Nixon is in charge of these students.

You can't tell me the whole junior class is absent.

# ANNEX VICA EXPERIENCES VOCATIONAL

Lance McKee and other members of the building trades class take a brief rest from an "outdoor classroom" project.

## BUILDING

Through the year, members of the Building Trades class work together in the construction of a house.

# TRAINING THROUGH TECHNICAL SKILLS

The Annex VICA program is designed to give students a background experience in their chosen fields of study. Careers in Auto Paint and Body, Mechanics and Radio and T.V. are analyzed and studied in these courses. Students learn and compete against students of other schools for place in city, district and state competition.

Students in Building Trades receive valuable instruction from instructor Glen McCaughn.

## TRADES

Building Trades is a portion of VICA offered at the Career Center. A selected group of boys build a house, under instruction, at a chosen location each year. Club members compete with other building trades departments at district and state contests each year.

Building tradesmen take a break from their schooling.

# COSMETOLOGISTS STUDY THE ART OF BEAUTY

Students enrolled in Cosmetology are trained to be beauticians. Two classes, one for Juniors, the other for Seniors, spends the majority of its time learning theory, practicing hair dressing and involving itself in competition. This competition involves the Vocational Industrial Clubs of America who enter contests on national levels and international levels for skill of all phases of hairdressing.

At Christmas time, the students had lunch at Pancho's. Mrs. Clois Brewer teaches the course.

The 1975-76 football season for the Trinity Trojans must be considered as a year for the rebuilding of a contender for the district crown next season. Most of the starting personnel were sophomores and juniors, a plus for the development of next year's team. As the season progressed and valuable game experience was gained, the Trojan defense made a name for itself with contending district teams. The offense, hurt mostly by inexperience at key positions plus injuries to starting personnel, should be ready for anyone's defense next season. The 3-7 mark of this year could easily read 7-3 or better next year.

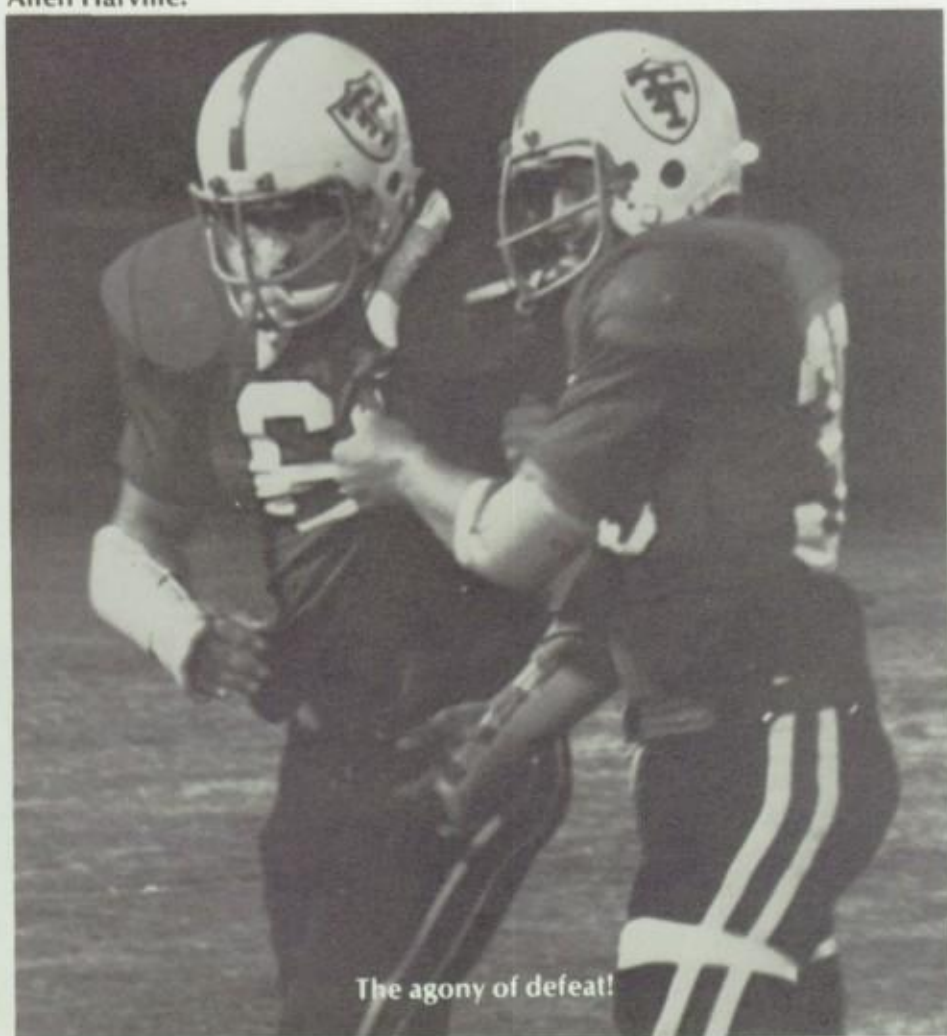

# FARMERS HARVEST TROJAN LOSS

The Trojan football team started the '75 season against 3-A rival Lewisville with new assistant coaches and an inexperienced but spirited team. Led by runningback Art Longshore, the Farmers combined some fine running and key pass completions to hand the Trojans a 14-0 loss. The Farmer offense put points on the board within seven minutes after the initial kick-off thanks to two Trinity penalties plus Bo Stewart and Longshore's ground attack. A short kick-off by the Farmers gave the Trojan offense adequate field position at the Farmer 38 yard line and the young offensive gridders went into action. Two quarterback keepers by Kyle Bookout and stout running by sophomore Chris Coffey gave the Trojans their first first down of the year. A 13 yard run put the Trojan offense in Lewisville territory, but an ensuing sneak lost eight yards and left the Trojan offense with a fourth and long situation. Trinity elected to go for the first down, but the Lewisville defense proved impregnable and Trinity was forced to surrender the ball at the Farmer 33 yard line. After a Lewisville punt and a Trojan fumble, the Farmers had the ball again.

However, a Farmer aerial found its way into Trojan Marty Stover's hands and Stover's return of 25 yards set up another Trojan scoring threat that ended abruptly on the Lewisville 21 yard line due to a Trojan fumble. The Trojan defense held and after a Lewisville punt, the offense went to work with good field position on the Lewisville 35 yard line with 2:24 left in the first half. Four plays later, the Trojans were on the Farmer 10 yard line with 40 seconds left in the half. Coach Bill Bookout called a time out to discuss the situation — which paid off, for 34 seconds later the Farmers were defending a first and goal from the one yard line. With six seconds remaining on the clock, Bookout was tripped up short of the goal — the half ended, and the Trojans were never again able to threaten the Lewisville end zone. During the third quarter Lewisville maneuvered 55 yards in eight plays to add a second and final touchdown making the score 14-0. Kyle Bookout led the Trojan rushing attack with 56 yards in 17 carries, while Chris Coffey and Tim Shillings passed the 40 yard mark.

Coaches — Bill Engle, Bill Bookout, and Allen Harville.

## REBELS UPSET TROJANS

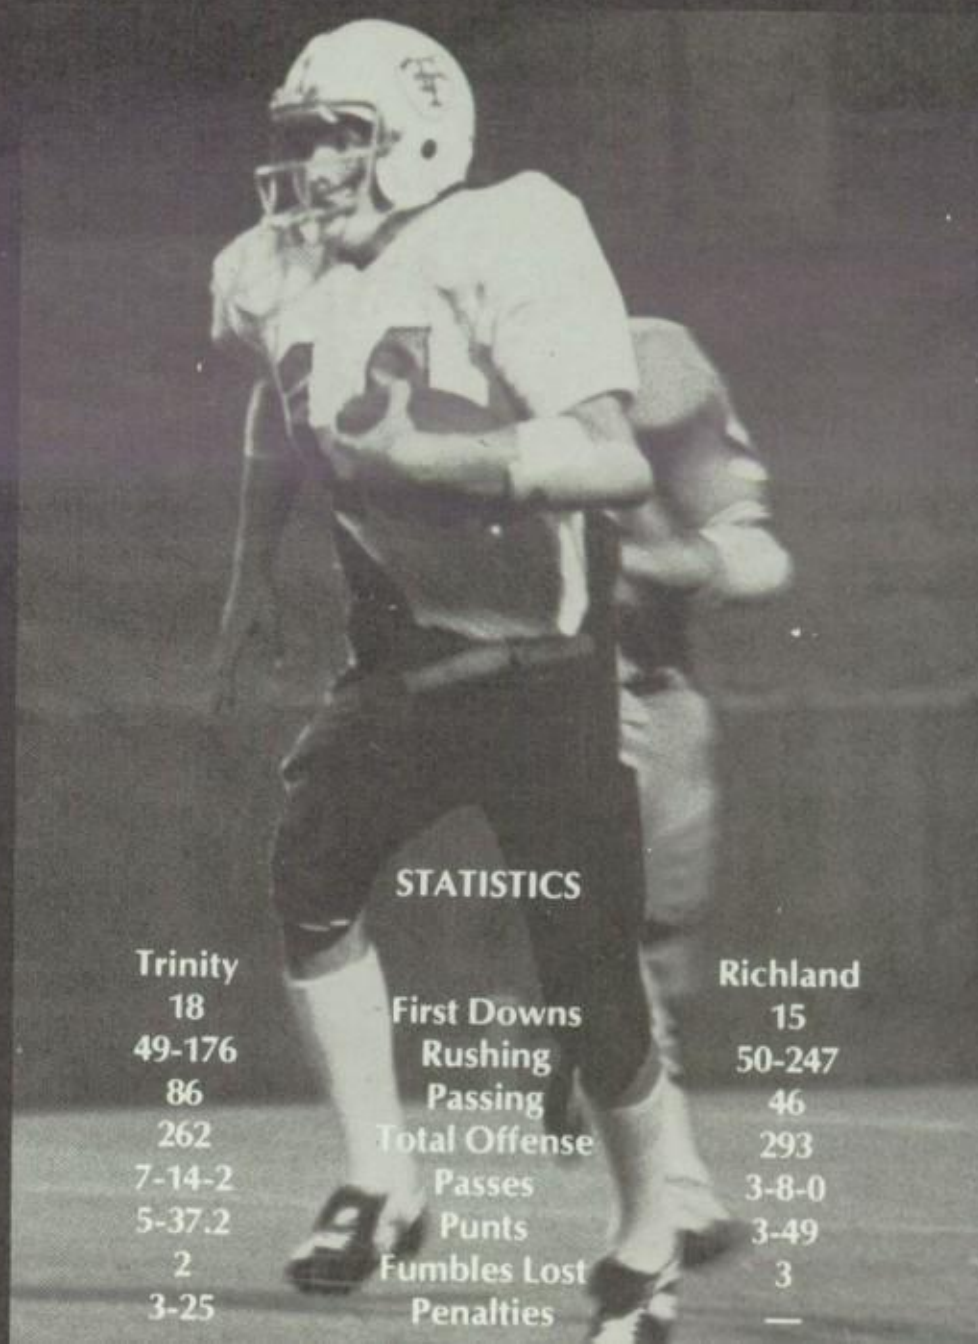

The upset-minded Trinity Trojan football team met the Richland Rebels at Birdville Stadium, and with a perky offense, led the Rebels 8-7 at half-time before falling 23-14 to mar their conference record. The game's first quarter passed without scoring, but in the second stanza Richland's Lonnie Chester scored on a 26 yard burst. Trinity retaliated with good offensive calls from quarterback John Whitley, who connected with Doug Eberhart in the Richland end zone to make the score 7-6, Richland's favor. The Trojans went for two points, successfully, giving them the lead at halftime. A miscue in the Trojan backfield opened the third quarter, and this gave Richland superb field position. The opportunistic Rebels made the turnover count for a score to lead the Trojans 14-7. In the fourth quarter the Rebels put nine more points on the board before Whitley connected with Eberhart for a touchdown, making the final score 23-14, Richland's favor. The Trojan offense compiled 262 yards in total offense.

## DEFENSE SHINES DESPITE DEFEAT

The loss to Lewisville did not dampen the spirit for the first home game against the Lamar Vikings, and for much of the game, the Trojans gave the favored Vikings more than they bargained for. The game was knotted 7-7 until in the final minutes of play, Lamar punched in the tie-breaking, game winning score. The Vikings went to work quickly and drove the ball to the Trojan 35 yard line, but were stymied on the ten yard line by a Trinity fumble recovery. The Trojans gave up the ball on downs, and the Vikings, ten plays and 45 yards later, hit pay dirt. The extra point attempt was successful, making the score 7-0, Lamar's favor. Second quarter action saw a defensive battle between the two teams with the Trojan's Jimmy Shoppa intercepting two Lamar passes. Third quarter action saw Anthony Wynn, Trojan halfback, set a Pennington Field record as he galloped 98 yards for a Trinity score, knotting the game 7-7. This scoring play was answered by the Vikings, though, as Randy Deering guided a scoring drive late in the contest which put the Trojans behind to stay, 14-7. The game proved a defensive plus for Trinity.

# GOOD OFFENSE RESULTS IN VICTORY

The Trojans overcame three losses and turnover problems to soundly whip the Castleberry Lions 36-7. Castleberry controlled the ball much of the first quarter and even scored first after Jim Gross recovered a fumble at the Trojan 47 yard line. Trinity lost the ball four times on fumbles and had one pass intercepted before Anthony Wynn scooted over for six points. A two point try by Kyle Bookout put the Trojans into a lead they would keep until the game's end. Defensive star Rodney Reynolds started the Trojans on their next touchdown bid by intercepting a Lion pass. The Trinity offense then proceeded to take the ball 52 yards for a second touchdown. After this drive, touchdowns came easily for the Trinity offense with help from quarterbacks Kyle Bookout and John Whitley plus yeoman work from fullback Chris Coffey. Credit defensive players Jim Brown, Gary Hammond and Roy Adams for fumble recoveries. Jimmy Shoppa and Reynolds were the ball hawks of the night.

# OFFENSIVE BURST DOWNS TROJANS

Anticipation of a needed win travelled with the Trojans to Wichita Falls to play the Coyotes, but all efforts to attain that win went by the boards as Wichita Falls High won the contest 21-7. Actually, the game was closer than the score would indicate, for two of the Coyote touchdowns came on sudden offensive bursts. Trinity's defenses looked sharp as they contained the Coyote offensive attack most of the night. The Coyotes' first score came on the second play from scrimmage as Dan Ingram raced 74 yards to score and put the Coyotes in front 7-0. Trinity came right back during the second period of play moving 80 yards in six plays to score. Kyle Bookout was the work horse of this drive which culminated with Anthony Wynn popping for 13 yards into the Coyote end zone. But the Coyotes were able to put two more touchdowns on the board in the second period with aid from Zac Ellis. At the half the score was 21-7 — a score that was to stand as the final one, due to the defensive battle of both teams in the last half.

# RIDER IS DOMINEERING

The domineering Rider Raiders of Wichita Falls had about all they could handle of the blossoming Trojan defense before squeaking out a 14-0 win over Trinity in Wichita Falls. The Trojan defense stopped all sustained drive attempts by the Raiders, and Rider only scored on big plays. The opening kick-off, nullified by penalty, could have been six points for the Raiders. An interference call aided the Raider cause, with the penalty taking the ball to the Trojan 25 yard line. Rider's Delano Thomas sent the Raiders ahead with a six yard run to the Trojan end zone. What was to be the Raiders' only other score came still later in the first quarter when Thomas Penn hit Paul Jones with a 32 yard scoring aerial. The Trojan offensive bid was hurt by key injuries to Gary Hammond, Chris Coffey, Marty Stover, Anthony Wynn and Trojan cheerleader, Coleen Houston.

Fans attending the Trojan-Hirschi clash saw a Homecoming Queen crowned and superior performances by the football team, drill team and band. First quarter action produced more yards than points for the Trojans, for the team gained 74 yards rushing but produced only a Marty Stover field goal. Late in the period, a Trojan offensive possession was quelled by a Huskie interception. In the second period the Trinity offense gained 77 yards, scored, and went into the locker room at halftime with a 9-0 lead. In the fourth quarter John Whitley and Anthony Wynn coupled talents to produce the Trojan's final scoring drive putting the score to 15-0, Trojan's favor. Hirschi's only score came on a run by Jeff Matthews on a fourth down play at the Trinity 16 yard line. It cancelled the shutout the Trojan defense wanted, but in no way threatened the final outcome of the game . . . Trinity — 15, Hirschi — 6.

# DEFENSIVE PLAY SCARES HALTOM

The Trojans came close to playing the role of the spoiler at Haltom's homecoming festivities as a strong Trinity defense kept the score 0-0 until the last of the fourth quarter. The defense was so stout that the powerful Buffs could only manage one first down through the first half of play. Offensively, however, the Trojans just could not untrack with the deepest penetration to Haltom 40 yard line. The offensive unit came close to breaking the tie early in the second half of play after a Buff quick kick to the Trojan 44 yard line. Anthony Wynn, who came within a step of breaking for the big

run, sprinted nine yards into Buffalo territory, giving the Trojans a first down and eleven at Haltom's 33 yard line. But the Haltom gridders stiffened their defensive hold, and Trinity could not capitalize with their best field position of the night. The back-breaker for the Trojans came with four minutes left in the game when Haltom broke from its single wing attack, went to the power I, and with the outside running ability of Greg Hunter, scored with hardly any time remaining on the clock. One last Trojan bid failed with a pass interception.

# MINERAL WELLS DEFEATED 27-23

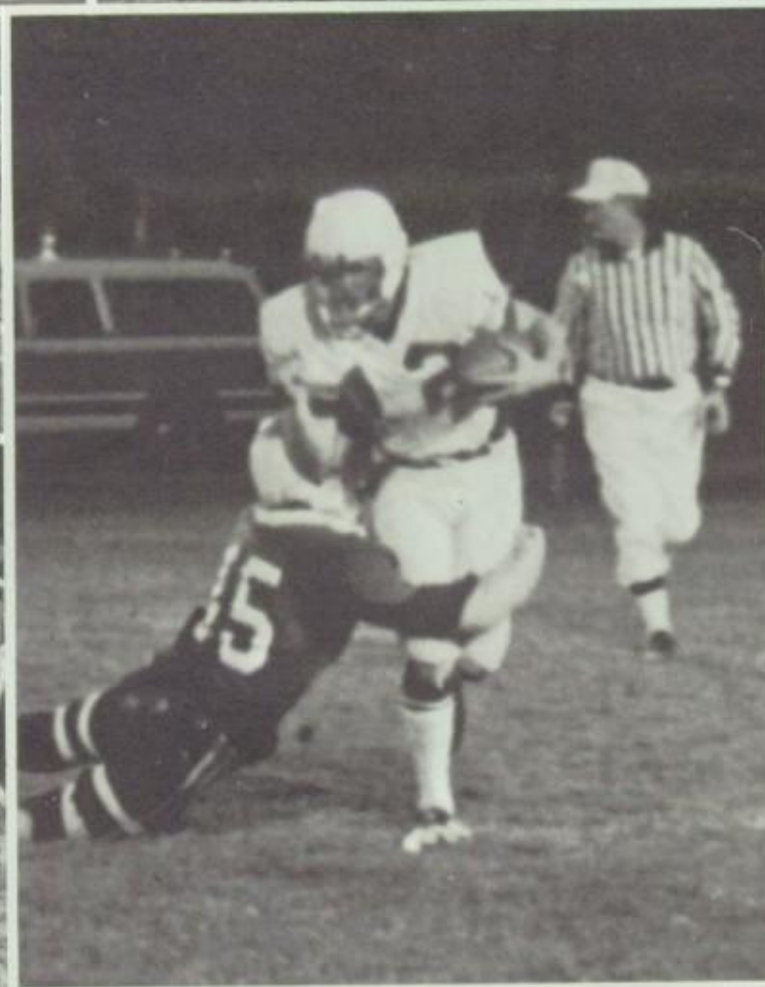

The best offensive strategy Trinity used against Mineral Wells was its defense, which constantly came through with big plays to aid the Trojans in slipping past the Rams, 27-23. The defense was aided with eight Mineral Wells turnovers during the game — turnovers the Trojans advanced for over 100 yards. Two turnovers set up Trojan touchdowns and two set up scoring plays for the Trojan offense. The Rams scored first with a field goal and touchdown, but Jimmy Shoppa set Trinity afire with a pass interception and return of 56 yards inside the Ram 10 yard line. Chris Coffey scored, and Marty

Stover's point after made the score 9-7, Rams' favor. Jim Brown picked up a Ram fumble and ran three yards to the Ram end zone for Trinity's go ahead points. On the next Mineral Wells possession, Brown intercepted a pass, ran 35 yards, and set up Chris Coffey's touchdown to put the Trojans ahead 20-9. With little time remaining in the half, Scott Hickfang recovered a Ram fumble in their end zone and Stover's kick made it 27-9 at the half. After halftime, Mineral Wells scored two more times, making the final outcome 27-23.

## RAIDERS OVERCOME TROJANS 20-0

Despite another good defensive performance, the Trojans closed the 75-76 football season with a 20-0 loss to L. D. Bell in front of a large Pennington Field crowd. The game did not go well offensively for the Trojans, as the Blue Raider defense succeeded in holding the Trinity offense to 184 total yards. A Bell scoring drive almost went through early in the game after Bell's John Kimbell picked off a John Whitley pass and returned it to the THS 18 yard line. But

Tom Engle saved the possible score with an end zone interception. An ensuing Trojan drive failed, and a Steve Niles punt was partially deflected. This gave the Raiders the ball on the THS 35 yard line, and a few plays later Bell quarterback Mark Smith took the ball into the end zone to give the Raiders a 6-0 lead. A bad snap prevented the point after from being successful. In the second quarter, a Steve Niles punt to the Bell 17 yard line set up a three play, 83 yard drive marked

by Smith's 69 yard touchdown burst. After a successful PAT, the score stood 13-0. The second half initiated Bell's final scoring drive as Phil Chaney took the ball in from the Trojan 29. The point after was successful making the score 20-0. After this score, Trinity finally pieced together a drive, with aid from John Whitley and Jim Keith, but this drive fizzled with an intercepted pass at the Raider 13 leaving the score 20-0, Bell's favor.

## J.V.: SUCCESSFUL SEASON

The Trojan "B" team had one of its most successful seasons in 1975. They had a season record of 6-3-1 and a district record of 5-2. The three losses were by a total of five points. The coaches and players are looking forward to improving this record next year on the varsity.

# T.H.S. BASKETBALL TEAM GAINS MUCH EXPERIENCE FOR NEXT YEAR'S SEASON

The 1975-1976 Trinity Trojan Basketball team was young and had little experience working together until the scrimmages began. This was Coach Dick Allie's second year with the team. His varsity team consisted of three seniors and six underclassmen.

Charlie Strickland, sophomore, was an outstanding varsity player. Strickland looks forward to two more years with the team. Kevin Lee, sophomore, and Mark Griffith, junior, were outstanding scorers this year and should prove helpful to next year's squad.

From Left to Right: Dean Krause, Eddie Massie, Charlie Strickland, Shane Keil, Robert Hertberg, Rusty Beam, David Bohannon, Paul Lemmons, and Kevin Lee.

### Wichita Falls 68, Trinity 57

The Trojans took an early lead in the Wichita Falls game only to see it slip away during the second period of play. At the end of the first period, Trinity was leading by four points but by the end of the half the Coyotes had the lead 30-27. During the third quarter, Trinity fell ten points behind Wichita Falls and the game ended with the Coyotes on top by an 11 point margin. For the fourteenth time in 20 games, sophomore Kevin Lee led Trinity with 17 points. Two other double figure scorers were David Bohannon and Paul Lemons with 11 and 10 respectively.

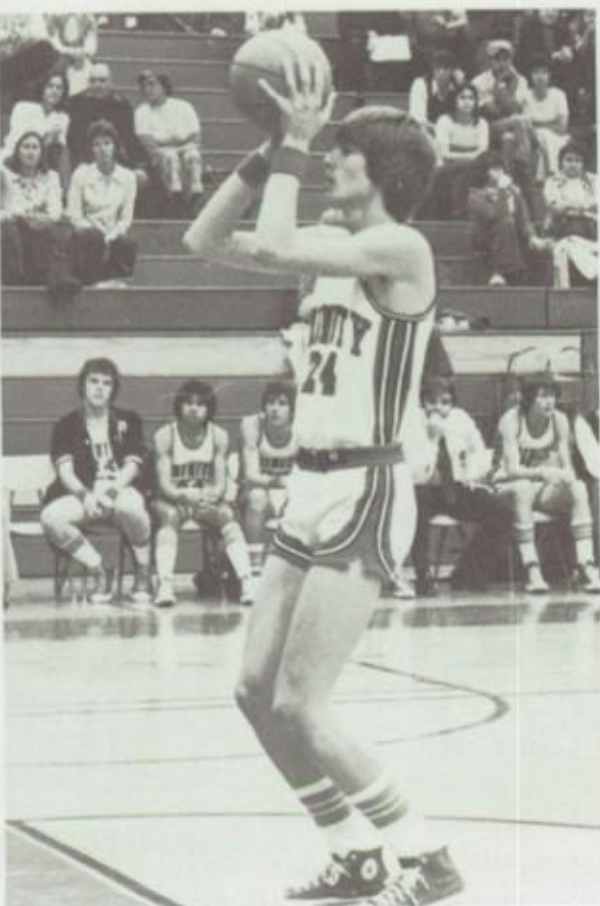

### Haltom 65, Trinity 49

There were two reasons why the Trojans fell to Haltom by 16 points. They were — Kevin Lee spent periods two through four with an ice pack on his leg out of the game plus the majority of the fourth period was spent at the free throw line. The Buffalo advantage mounted slowly, with the score at halftime 28-21. The third period saw Haltom's lead grow to a 12 point margin, and in fourth period of play, free throws became the name of the game as a total of 27 were attempted. Mark Griffith took scoring honors for Trinity with 16, followed by David Bohannon with 11 and Rusty Beam with 10.

### Trinity 54, Castleberry 48

In the final minute of regulation play, Dean Krause, Mark Griffith and Rusty Beam enabled the Trojans to overcome the Lions by 6 points. Trinity held Castleberry by a five to ten point margin until the last minute when Castleberry closed the scoring gap to 48-46, Trinity's favor. The Trojans took advantage of Castleberry's press strategy to rattle off 6 quick points to win an important zone victory. Leading the Trojan scoring were Griffith with 16 points, Bohannon with 13 and Beam with 12.

## CAGERS IMPROVE AS SEASON PROGRESSES

Another long shot by Rusty Beam.

### Mineral Wells 52, Trinity 42

The Trojans were unable to overcome the Rams as they clashed on a Tuesday night in January. One of the main reasons for the loss was 6'10" Ricky Ashley, who scored 26 points for Mineral Wells. Trinity trailed at the end of the first half 24-18, but guard Rusty Beam was able to hit his first four shots during the third quarter to get the Trojans back in the game. Then, during the fourth quarter, both Kevin Lee and Beam were able to tie the score. The Trojans lost by ten points. Beam was the top Trojan scorer with 16 points, followed by Lee with 8.

A successful tip off by Kevin Lee.

### Trinity 58, Richland 53

The Rebels dominated the first half of play to put together an 11 point advantage over the Trojans at halftime. But, to the astonishment of the Rebels, the game took a total turnabout in the third period. Mark Griffith pumped in 20 points in the second half, aided by a concentrated team effort. The Trojans tied the Rebels with two minutes left in the third period when Eddie Massie canned a 20 foot jump shot. Both teams knotted the score five more times, with THS finally overpowering the Rebels for a zone win. Griffith was the high point man with 22 points followed by Lee and Massie with 12 and 10 points respectively.

### Rider 76, Trinity 61

The Trojans were unable to surprise the Raiders of Rider as they had the Richland Rebels four days before. A slim margin separated the teams at the end of the first quarter, but the Raiders dictated the momentum of the game the remaining three quarters.

However, during the final period of action, the Trojan offense caught afire to score a whopping 19 points, giving the offense the confidence needed to compete in zone play. Both Kevin Lee and Mark Griffith scored 12 points followed by David Bohannon and Rusty Beam who each managed nine.

### Hirschi 69, Trinity 50

The score at half-time proved to be the "handwriting on the wall" as Hirschi topped the Trojans by 17 points. Robert Sumpter and Hugh Turner aided the Huskie cause by each contributing 15 points. High point men for Trinity were Kevin Lee and Mark Griffith with 12 points each. The game put Trinity at a 2-5 mark in district play.

### Trinity 64, Bell 56

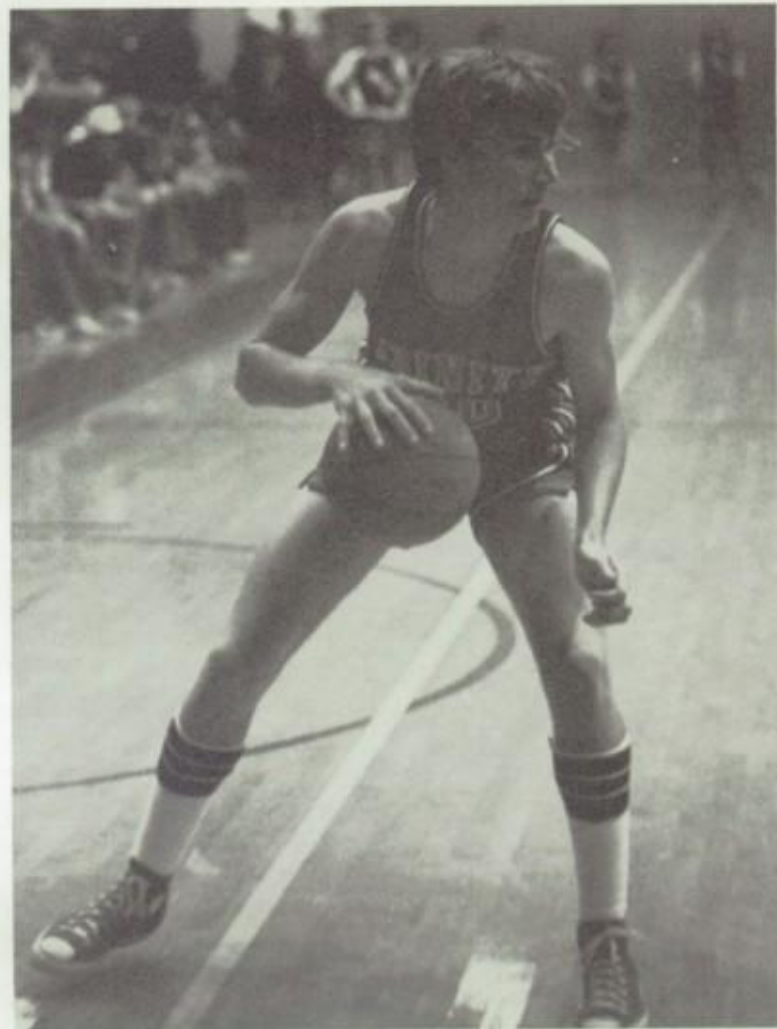

The Trojans muscled their way into a three way tie for South Zone championship with the defeat of L. D. Bell. The Blue Raiders, with almost a new starting five, led Trinity by 2 points after the first period. But after a Rusty Beam follow shot and several free throws, Trinity led 20-16 with 6 minutes remaining in the half. Led by Senior Rusty Beam — high point man for the night — the Trojans whipped the Raiders 64-56.

Haltom 65, Trinity 62

Cut short by the clock, a Trojan comeback effort against the Haltom Buffaloes resulted in another close defeat in zone play. Haltom had the lead from the onset, leaving the Trojans to play come-from-behind basketball. Outgunned immediately by the Buffalo offenses, the Trojans overcame that large point deficit and finally closed the gap to two points, a feather in the offense cap considering the team was behind 12 points at the half. It was to no avail though, as Haltom took the clash 65-62. Dean Krause and Robert Hertberg provided the Trinity explosive third quarter with Krause scoring 14 points followed by David Bohannon with 11.

Trinity 75, Castleberry 47

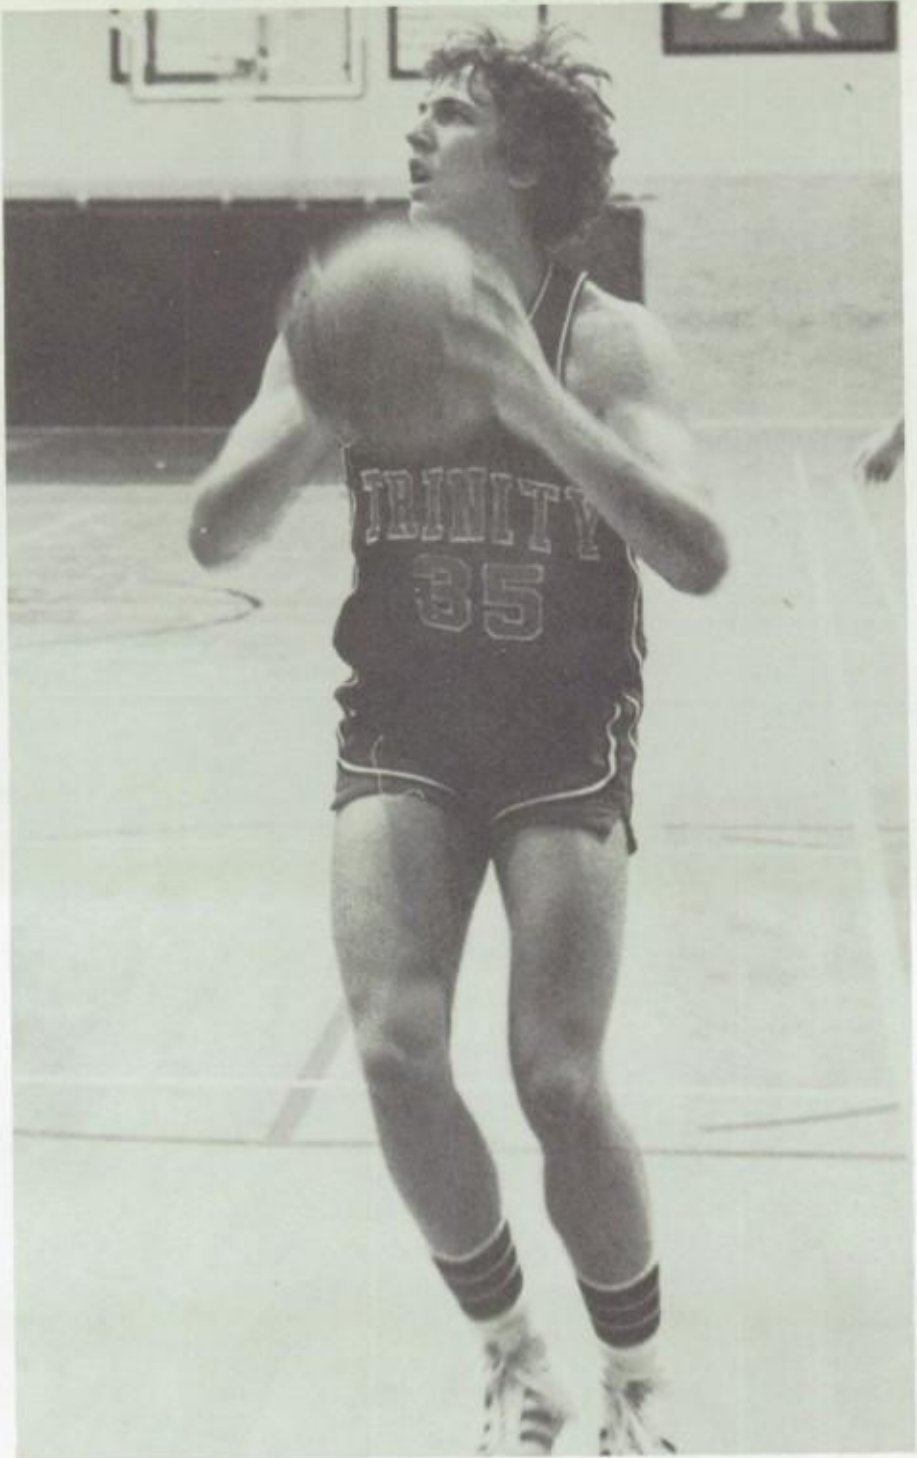

The victory over the Lions pulled the Trojans within a half game of the district South-Zone co-leaders, Richland and Haltom. The Trojans emerged with a 15-9 lead at the end of the first period and by second quarter's end — had increased the lead to 42-28. The Trojans iced the cake by scoring 15 points in the last four minutes of play with the resulting score of 75-47. Four Trojans scored in double figures. Kevin Lee pumped in 15 points, Eddie Massie and Rusty Beam each had 12 points, and Mark Griffith scored 11.

Richland 73, Trinity 45

The Trojans were intimidated by a fierce Richland Rebel defense plus opportunistic scoring by the men from the south in falling in a crucial zone contest 73-45. Trinity was leading 8-6 when Richland went on a scoring rampage — leading by the second quarters end 22-8. Trinity never recovered from a disastrous halftime score — 44 for Richland, 15 for Trinity. The gap stayed at the thirty point level throughout the second half with Richland on top 73-45. David Bohannon led Trinity scoring with 13 points followed by Kevin Lee with 10.

Bell 58, Trinity 57

After eight minutes of exciting basketball, Trinity seemed to have L. D. Bell's Blue Raiders in control with the score 23-12, Trinity's favor. However, Bell put together a comeback which saw the Trinity lead sag to just three points. With the final period of play left, Bell took the lead 48-47. The duration of the fourth quarter saw the score see-saw between the clubs with a resulting one point victory for L. D. Bell. Kevin Lee was the top scorer for the Trojans with 16 points, followed by Shane Keil and Paul Lemmons with 12 and 10 respectively.

Coach Michael Shabay

The Junior Varsity Basketball team was one of dedicated and hard working players. This is the first year for Coach Mike Shabay at Trinity. The team's season was impressive and much experience was gained. This year's team will show a gain of several individuals to the varsity team next year.

Dale Stanford, Leon Falls, Steve Barth, Kirk Lively, Brand Miller, Brad Stam, Ray Royal, Mike Baab, Danny Singletary, Mike Lemmons, Bernie Blaschke.

# S W I M M I N G

The 1975-1976 swim team had an extremely successful season this year. The team had an atmosphere about it in which everyone blended together to provide Trinity with a triumphant year. They scored well in all their meets and had much parental support.

*Back Row:* Denny Cunningham, Michelle Harris, Nelda Day, Francis Megley, Solveg Kjell, Susanne Mangin, Sarah Brown, Jodi Skaff, Gail Shoppa, Linda Waddle, Diane Woodard, Kay Brazilton, Nina Prewitt, and Don Foglesong. *First Row:* Chris Messick, Julie Alkire, Donna Bishop, Dale Montague, Kollis Francis, Mindy Greene, Pam Owens, Diane Phillips, Patricia Green, Tena Powell, and Nessa Foglesong.

## ABILITY AND IMPROVEMENT

The girls team showed much improvement this year. The competition proved to be hard but the team scored well. The girls had a good attitude, while working hard. Workouts included a class period a day along with many night workouts in preparation for TISCA in January. Several seniors are continuing their swimming competition at college next year and with the ability shown the remaining members should have a good season next year.

The Volleyball team this year is the first girls' athletic squad for Trinity High School. The team worked out fourth period, practiced during the summer, and participated in off season volleyball. The team played what is termed "power volleyball" and the playing procedure is different and difficult to learn and master. The girls have learned about competition, winning, losing, and working together as a group. They feel that competition in some way will always be a part of their lives and hope to better prepare themselves for "life's" competition in girls' athletics.

Put constant practice, hard work, determination, and hope together — the result is a great Trinity High Tennis Team. A greater ability to play the game aptly describes members of the team, according to Coach Cal Hopkins, who has been building the effectiveness of team competition since his coaching duties began.

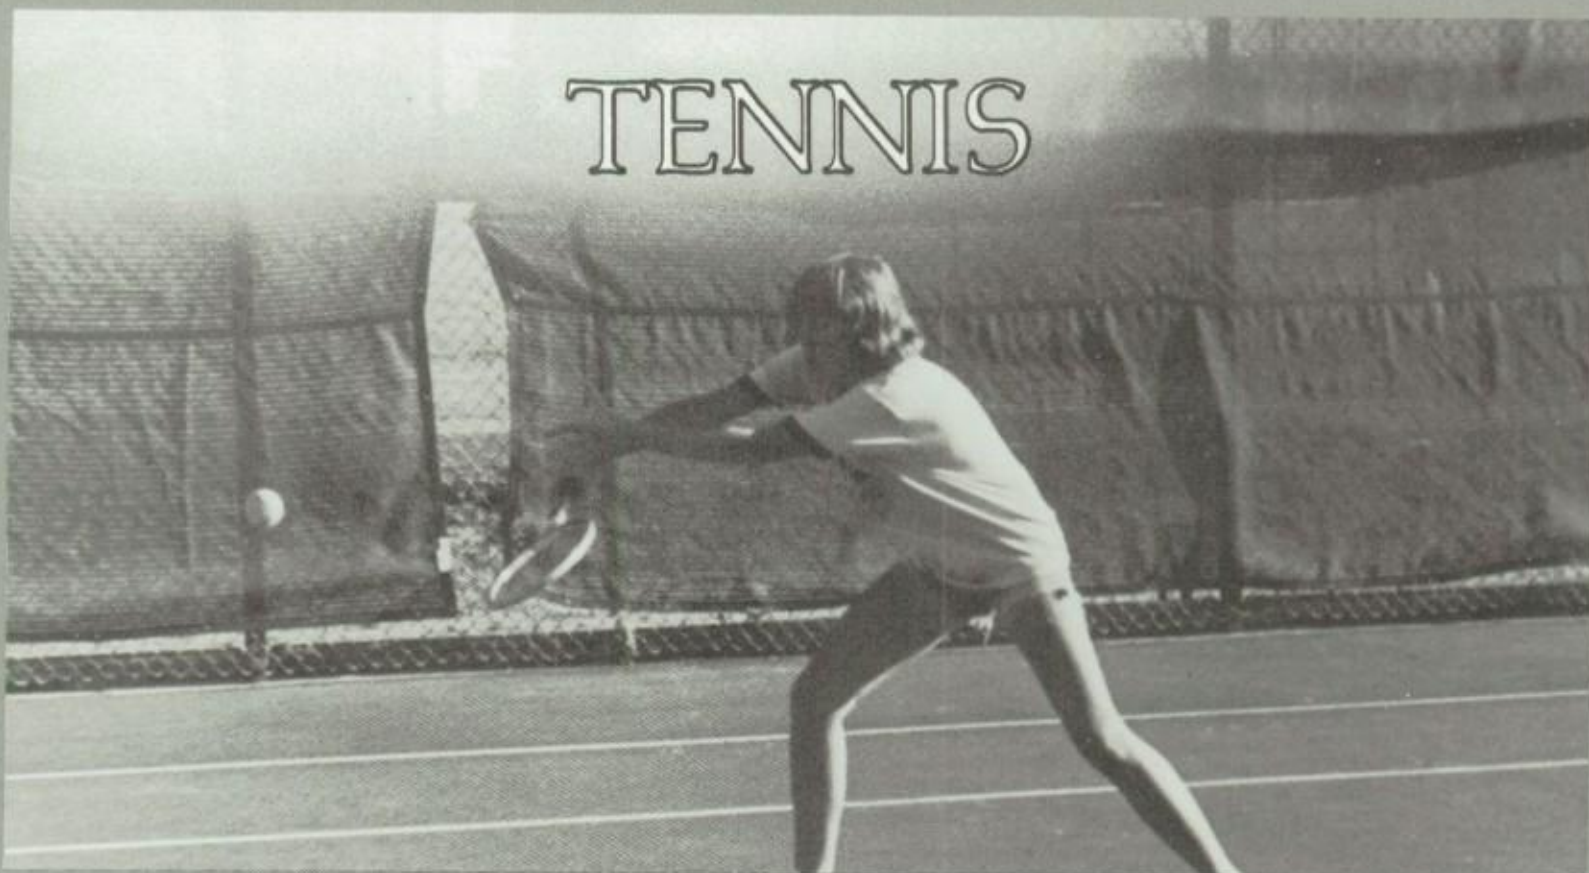

Mike Bryan, Bill Ellis, Vivan Hall, and Chris Mobley provided leadership in "A" Double Boys and Girls competition. Also in "A" Boys Doubles were Derek Parker and Barry Hale.

In "B" Girls Doubles, Angie Railsback and Rita Pretorius played effectively with Kendra Bookout and Mary Hall aiding the girls doubles cause.

As a result of more experienced team, top-level tournaments were included on the tennis schedule. Returning squad members should provide for an effective team next year.

Trinity tracksters have a new look. The boys team has a new coach, Larry Wright, and for the first time, THS has a girls track team. Both teams practiced much during the winter and participated in meets during the spring. Track has attracted student interest at THS.

## BOYS TRACK UNDER NEW LEADERSHIP

This year the Trinity Boy's Track Team is under a new coach, Larry Wright. The team competed in weekend events during the spring and scored well in all. The team was quite large with many having worked out all year and some doubling in from other sports. Next year's team should be excellent.

## GIRLS' TRACK STRIDES INTO DISTRICT COMPETITION

"You've come a long way, baby!!!" proved true for the sports minded girl at Trinity this year. The athletic department not only offered the girls volleyball, but also a track team. Many girls joined the team and had a variety of chances to compete. The girls worked hard during the second tri and participated in several meets. The team was coached by Mrs. Mary La Crosse.

The Texas Association of School Administrators (TASA) presented the members of Hurst Euleess Bedford School Board with the celebrated honor of runner up for "The Outstanding School Board" in the state of Texas. The school board has also been noted as Honor School Board for District 11. We wish to acknowledge and thank the members of the hard working, dedicated H.E.B. school board.

Joe F. Benson  
Vice-President

Johnny F. Eden

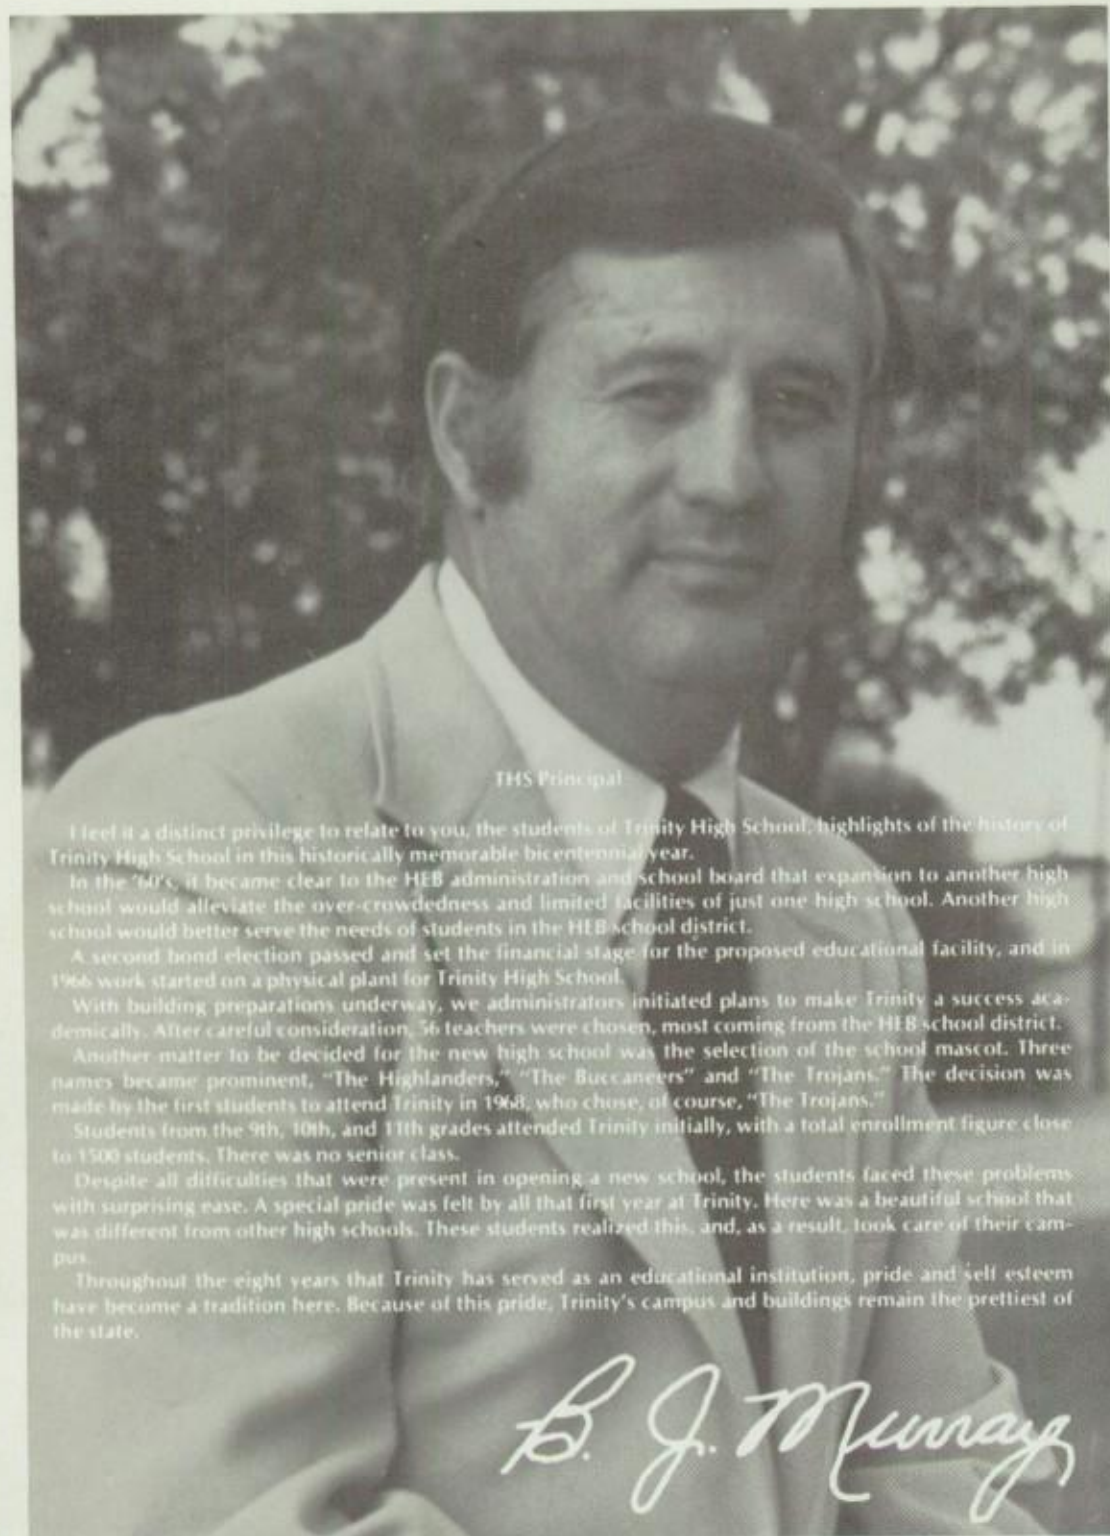

James B. Morgan  
Secretary

Mrs. Jim D. Bettis

THS Principal

I feel it a distinct privilege to relate to you, the students of Trinity High School, highlights of the history of Trinity High School in this historically memorable bicentennial year.

In the '60's, it became clear to the HEB administration and school board that expansion to another high school would alleviate the over-crowdedness and limited facilities of just one high school. Another high school would better serve the needs of students in the HEB school district.

A second bond election passed and set the financial stage for the proposed educational facility, and in 1966 work started on a physical plant for Trinity High School.

With building preparations underway, we administrators initiated plans to make Trinity a success academically. After careful consideration, 36 teachers were chosen, most coming from the HEB school district.

Another matter to be decided for the new high school was the selection of the school mascot. Three names became prominent, "The Highlanders," "The Buccaneers" and "The Trojans." The decision was made by the first students to attend Trinity in 1968, who chose, of course, "The Trojans."

Students from the 9th, 10th, and 11th grades attended Trinity initially, with a total enrollment figure close to 1500 students. There was no senior class.

Despite all difficulties that were present in opening a new school, the students faced these problems with surprising ease. A special pride was felt by all that first year at Trinity. Here was a beautiful school that was different from other high schools. These students realized this, and, as a result, took care of their campus.

Throughout the eight years that Trinity has served as an educational institution, pride and self esteem have become a tradition here. Because of this pride, Trinity's campus and buildings remain the prettiest of the state.

*B. J. Murray*

Mr. Murray addresses students concerning THS policy at a Senior-Junior assembly.

Mr. Murray and Mr. Cummins pass out Trojan decals to awaiting students.

Mr. Murray checks the day's itinerary with Ms. Rosse, THS secretary.

As I recall the events and progress of our nation to this bicentennial year, my thoughts are narrowed to the changing times at Trinity High School. The beginning of 1985 was in our year, "the good old days." These days are the good days.

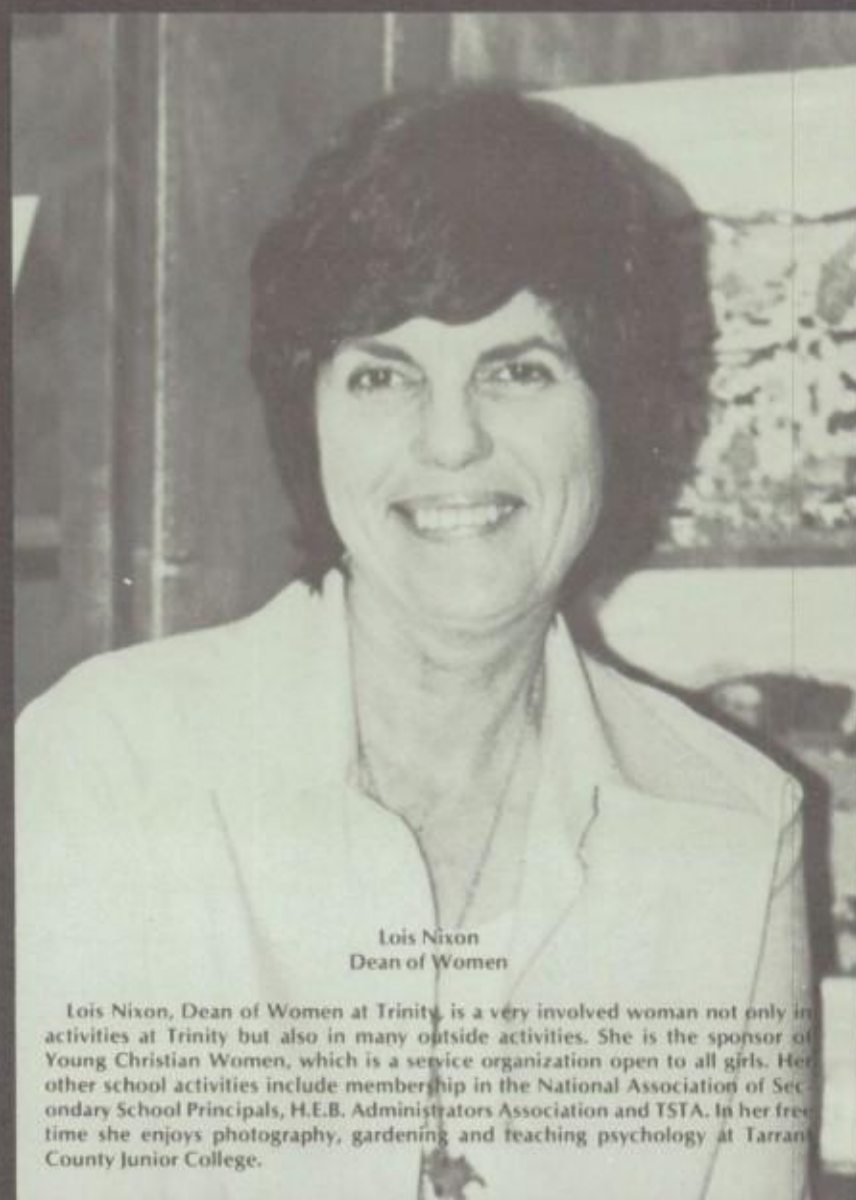

The initial year for THS saw only "A" and "B" building operational; the band was meeting in the gym, and the cafeteria equipment had not arrived so everyone brought a sack lunch. (The campus was closed to everyone during lunch.) There was no senior class and 150 freshmen, sophomores, and juniors made up the student body. Trojan Trail did not exist, nor was the parking lot paved and was often a sea of mud thanks to the rains of that year. Mr. Murray was often seen in "A" locker banks knee-deep in water trying to open drains or sweep out water.

Yes, the dress code was different. Boys' hair was not to touch the shirt collar. The ears were to be over the eyes. For girls, mini-jeans and slacks were a no-no.

Along with physical improvements, there have been many changes to better the curriculum. For example, THS now offers 120 elective courses compared to 35 at opening. That was when our present student body was in the third, fourth, and fifth grades and were having few, if any, thoughts about high school.

Time and changes often seem to pass or come about slowly, and as one pauses from time to time for a backward glance, it moves very fast. This brings to mind the question, "How are you using your time?"

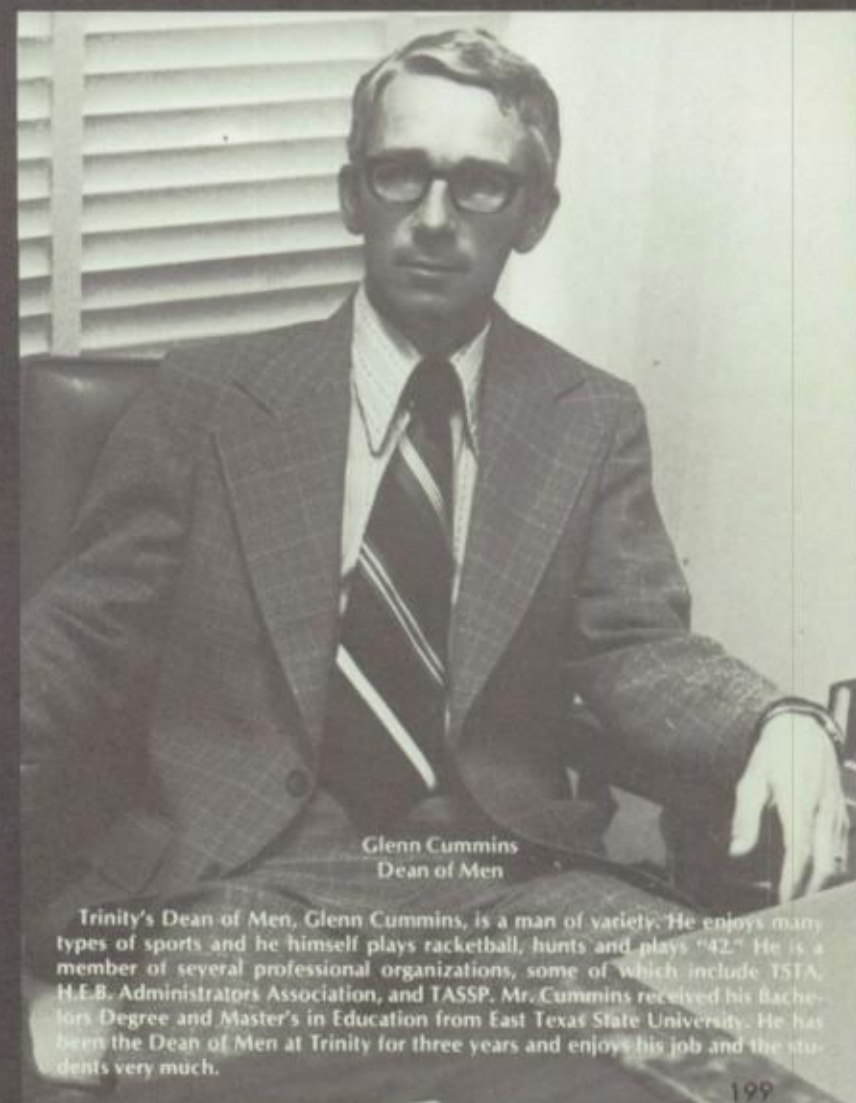

V. V. Shearborn  
Vice Principal

Lois Nixon  
Dean of Women

Lois Nixon, Dean of Women at Trinity, is a very involved woman not only in activities at Trinity but also in many outside activities. She is the sponsor of Young Christian Women, which is a service organization open to all girls. Her other school activities include membership in the National Association of Secondary School Principals, H.E.B. Administrators Association and TSTA. In her free time she enjoys photography, gardening and teaching psychology at Tarrant County Junior College.

## THE MANAGEMENT

Glenn Cummins  
Dean of Men

Trinity's Dean of Men, Glenn Cummins, is a man of variety. He enjoys many types of sports and he himself plays racketball, hunts and plays "42." He is a member of several professional organizations, some of which include TSTA, H.E.B. Administrators Association, and TASSP. Mr. Cummins received his Bachelor's Degree and Master's in Education from East Texas State University. He has been the Dean of Men at Trinity for three years and enjoys his job and the students very much.

Madeline Taylor

Madeline Taylor, Senior Counselor at THS, is a Co-sponsor of the National Honor Society. This duty is taken in addition to her work as a counselor. Ms. Taylor is involved in several outside activities and organizations, some of which include Texas State Teacher Association, Delta Kappa Gamma and Kappa Delta Pi. Her hobbies range from sewing to refinishing antiques.

Junior counselor, Jack Ingle, has been at Trinity for seven years. He received his Bachelor's Degree from Southwestern State, and his M.Ed. from NTSU. He is involved in several professional organizations which include TSTA and TPGA. He is also very interested in athletics and has previously coached the golf team at Trinity. His main interest other than golf is tennis.

## Counselors Taylor, Ingle, Chandler, Goss, and Griffin Aid Each T.H.S. Student to a Successful Future

Bill Chandler

Hunting, fishing and boating keeps Bill Chandler, Sophomore counselor at Trinity, busy in his spare time. Other than these activities Mr. Chandler is involved with Phi Delta Kappa and Drivers Education. He has been a counselor at Trinity for six years. He earned his B.M. and M.Me. degree from NTSU.

Winnie Goss

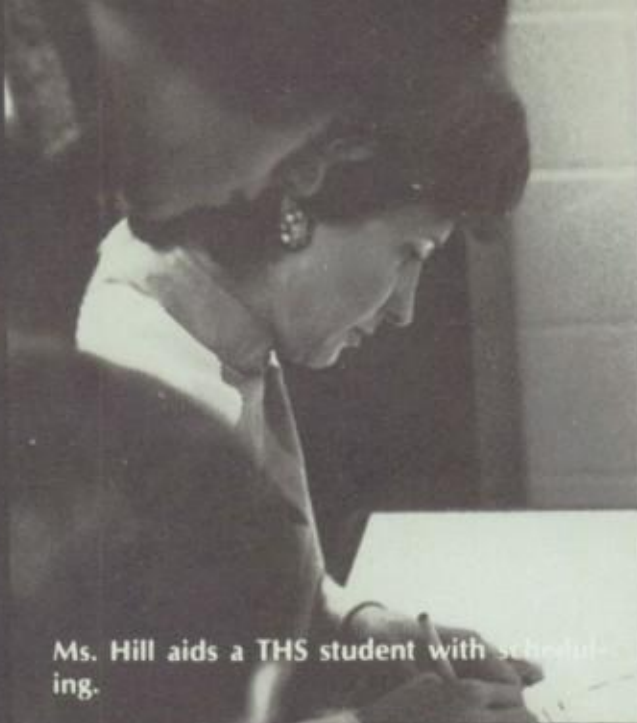

Winnie Goss, new sophomore counselor at Trinity this year, has been in the HEB system for 18 years. She attained her B.S. in education from Buffalo State Teachers College in New York and her M.Ed. from NTSU. Besides her interest in students, Ms. Goss enjoys traveling and has visited Central America and Mexico several times.

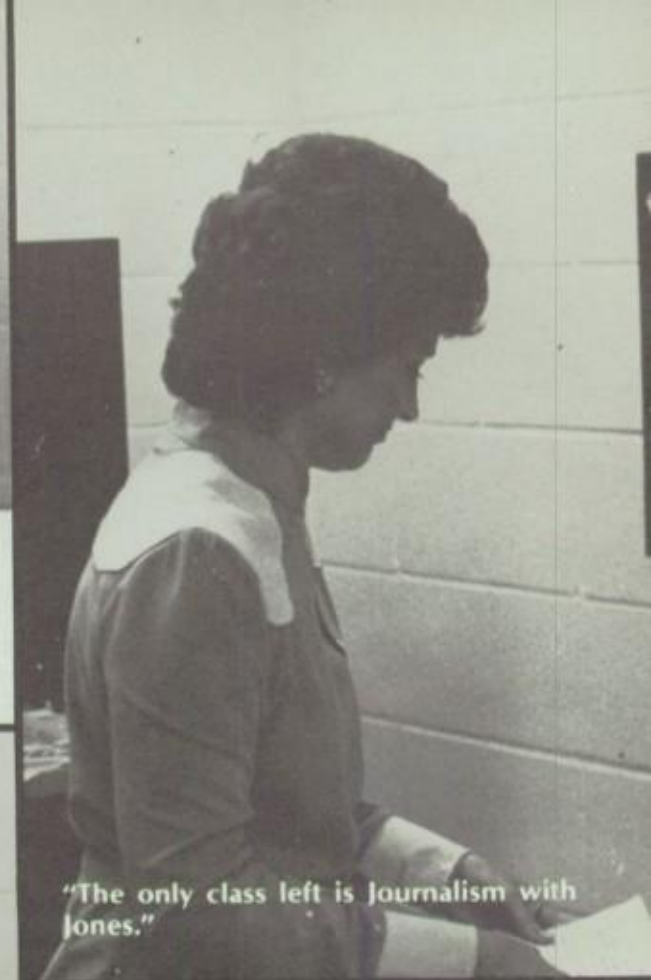

Juana Hill  
Registrar

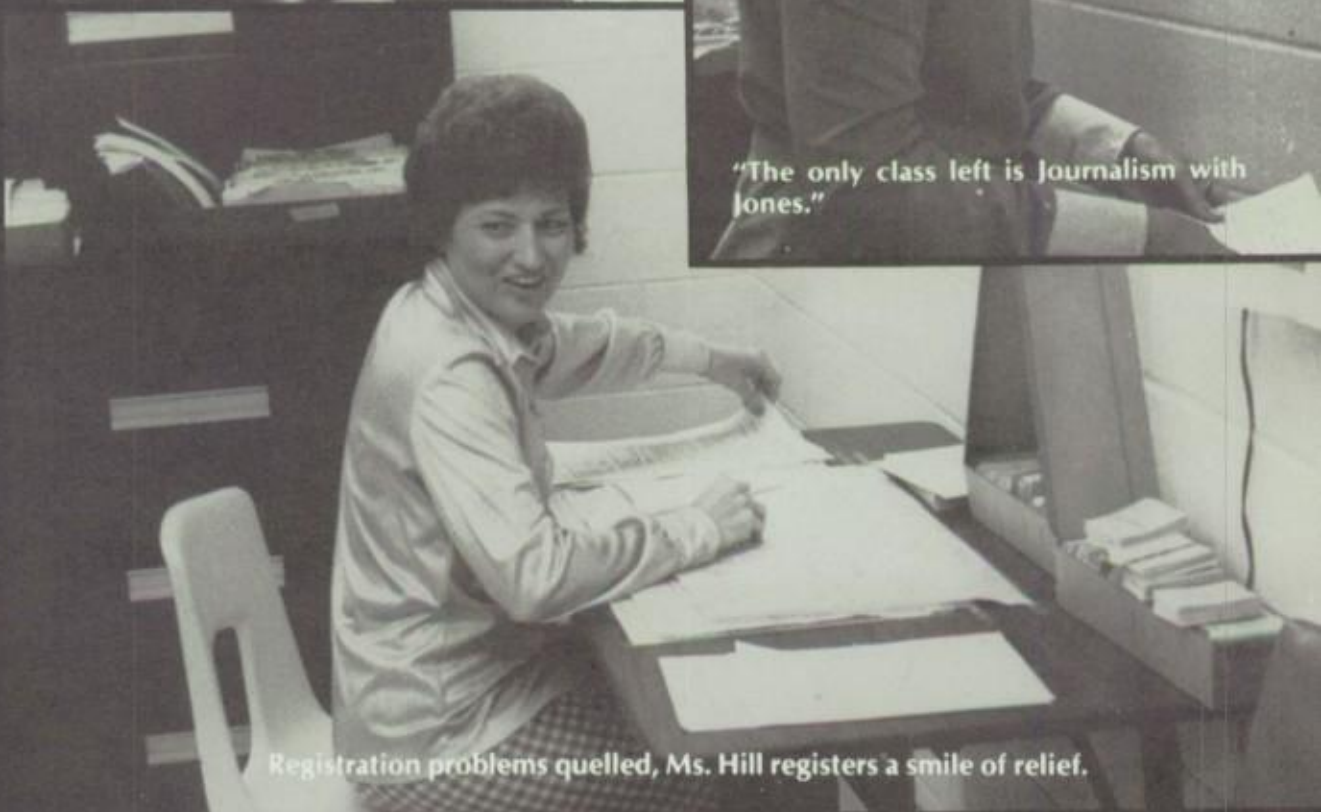

Scheduling, making announcements, and the computerizing of report cards are just a few of the many responsibilities in the daily routine of Juana Hill. Besides her school activities, she enjoys sewing, traveling, plants, and following the actions of the O.U. football team. Ms. Hill has been at Trinity for seven years. Before this she has held several other teaching positions. She attained her Bachelor's Degree from Howard Payne, Master's in Education from Texas Tech and is currently working on her Administrator's certificate from North Texas State University.

Ms. Hill aids a THS student with scheduling.

"The only class left is Journalism with Jones."

Registration problems quelled, Ms. Hill registers a smile of relief.

## SOPHOMORES

# SOPHOMORES: LOADED FOR ACTION

Sophomores came to Trinity loaded for action last September. Newly elected officers and selected sophomore council members quickly organized and put a team of brand new Trojans to work on a Homecoming float that, according to many, was the best sophomore float entry in THS history. To boost the spirits of the "B" team footballers, the class initiated a concession stand for all home games. Soft drinks, hot chocolate, coffee, home-popped popcorn and a variety of candies brought customers a-plenty and the first coins into the sophomore coffers. Spirited, concerned and ready to become involved, the sophomores sponsored a "spirit chain" contest for the Homecoming pep rally. Daily candy sales during the fall helped make class activities such as skating parties and Christmas gatherings possible. The sophomore class' main objective is to plan for a united class in '78.

## SENIORS AND JUNIORS SAY HOWDY TO SOPHOMORES

An annual event after the first home football game is the Howdy Dance. Sponsored by the cheerleaders, the dance provides opportunities for sophomores to meet new acquaintances and juniors and seniors to talk about what went down during the summer months. Oh yes, there is also dancing, and this year Titus Cates provided the music.

## LET'S VOTE

Soon the time came for class officer elections and sophomores campaigned for about one week before elections were held. Those candidates running for an office made posters and gave campaign speeches to the sophomore student body. After officer elections, an executive council was selected to organize and guide sophomore activities throughout the year.

## 700 SOPHOMORES HIT THE ROAD

"Look out for those trees . . ." "Brakes, use the brakes . . ." These are a few of the sounds coming from the Drivers' Education building as many of the 700 sophomore students learn how to drive a car. One of the first courses sophomores register for is Driver Education. Students see films, study handbooks, operate simulators and drive on the range to better equip themselves for safe driving.

## SOPHOMORES' FIRST HOMECOMING

For sophomores, the first THS Homecoming means hard work to organize and put together a float, a mum for a girl, the expense for the boy. There is a Homecoming game where the Homecoming Queen and her court are introduced, and a dance for the good times usually follows. The sophomores were well represented this year with terrific float, a lovely sophomore court, and a good effort by the total sophomore class.

Steve Ballsinger, smiles of contempt.

## A SUCCESSFUL SOPHOMORE YEAR

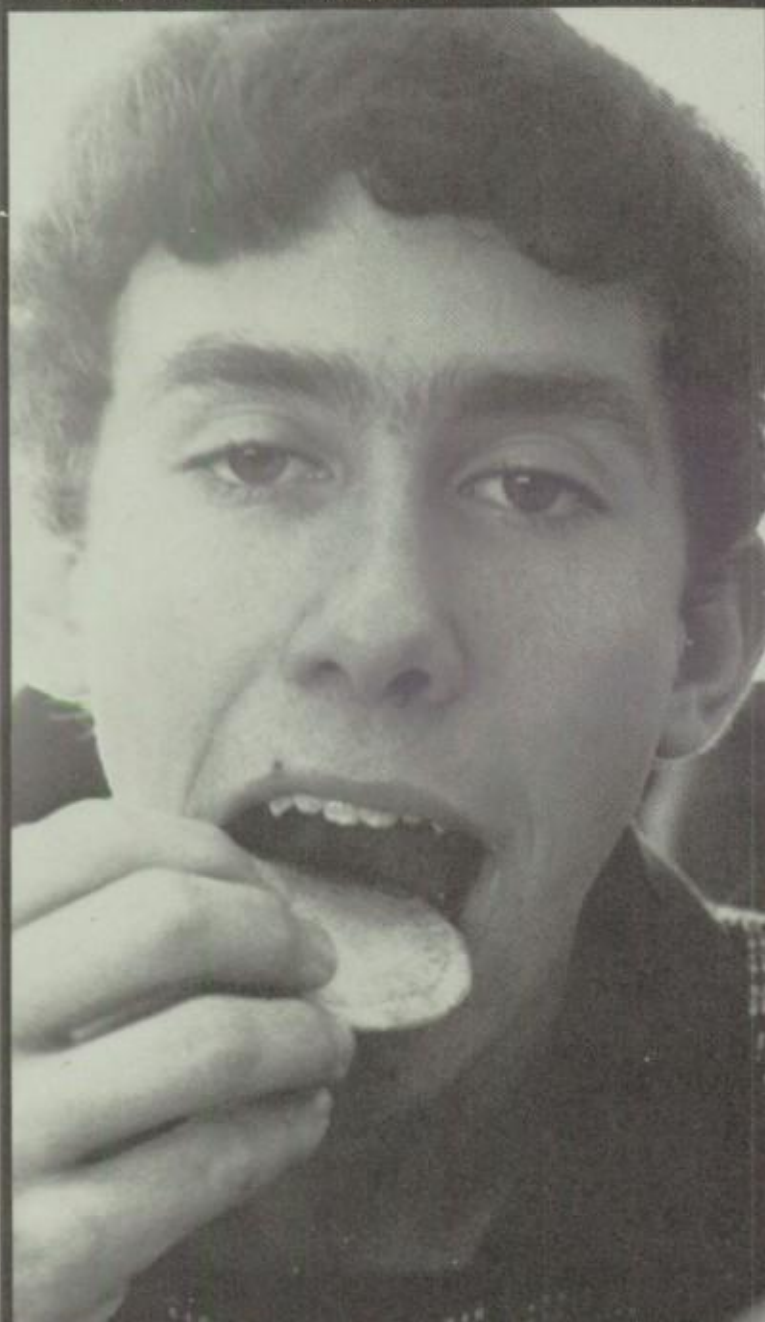

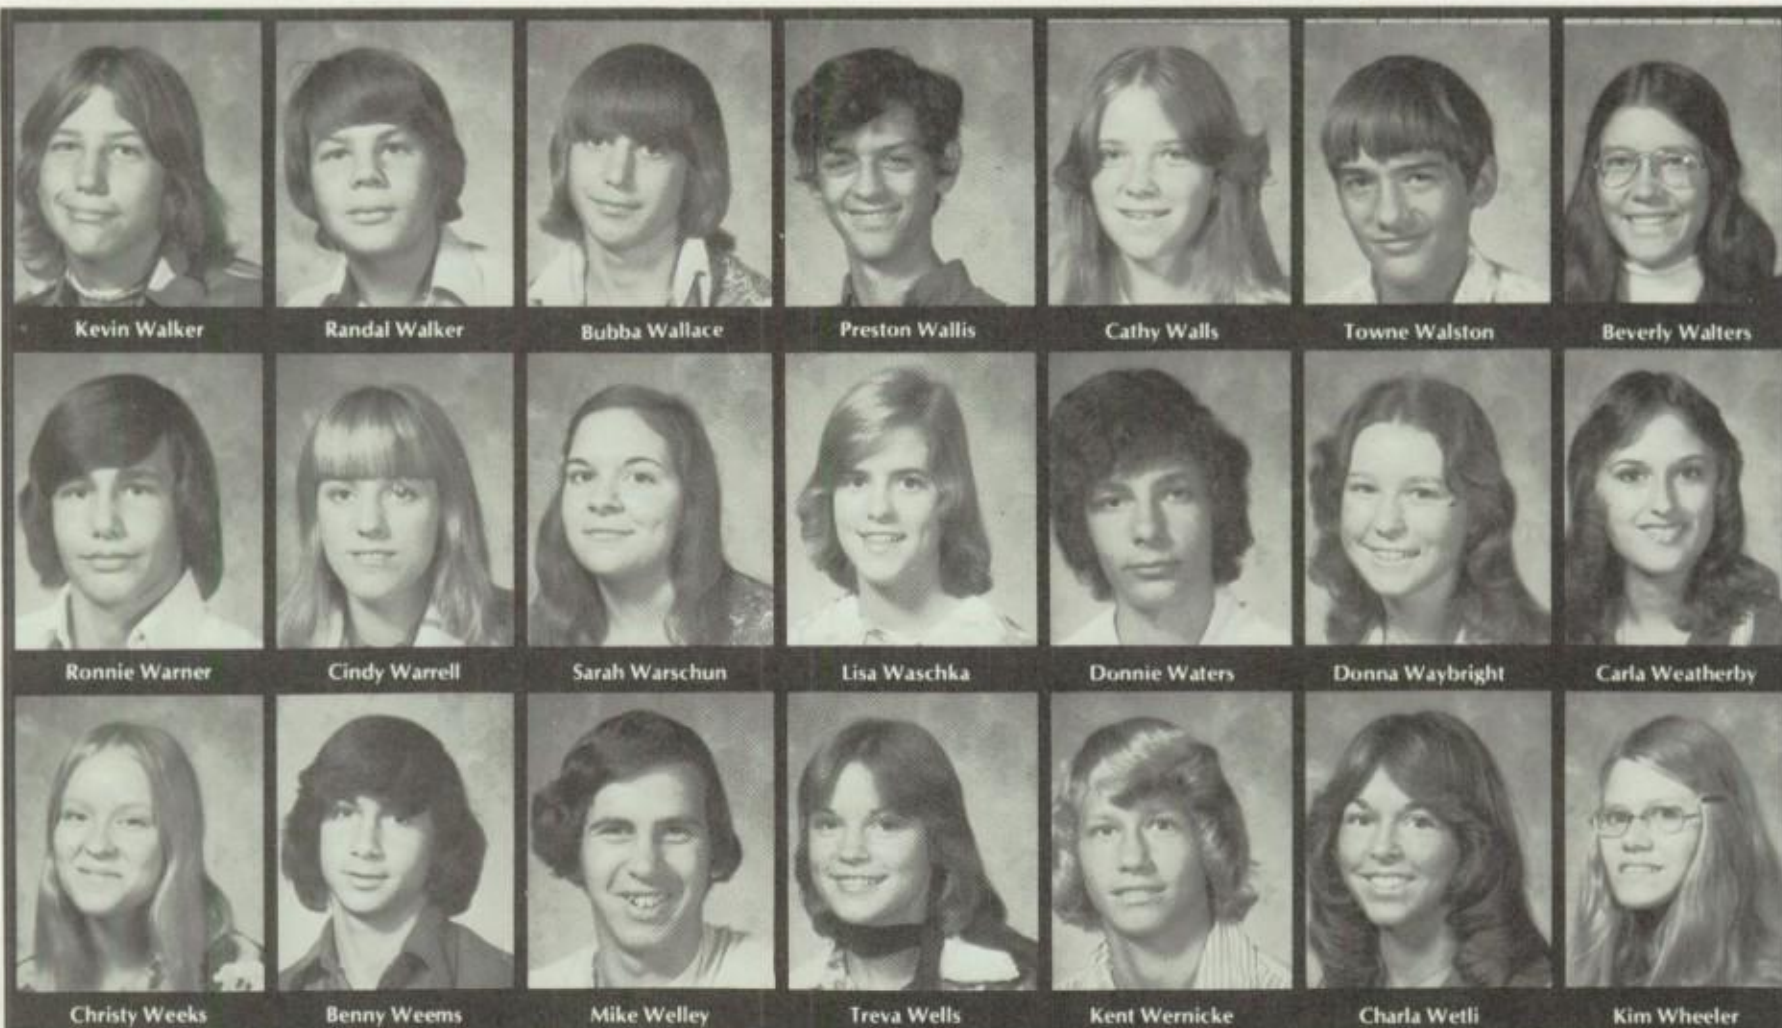

The Class of '78, during their sophomore year, got it all together with participation in sports, winning the spirit stick at pep rallies and organizing projects to raise funds for the class. Through this type of hard work, involvement and dedication to THS, the class of '78 surely will be one of the finest to graduate from Trinity.

## JUNIORS

# JUNIORS TAKE A SECOND-YEAR LOOK AT T.H.S.

The Class of '77 began its 75-76 school year with several planned activities and spirit-oriented projects. The juniors initially showed their spirit by winning the "spirit stick" at the first two pep rallies. "Class of '77" buttons were distributed by the junior class to aid class unity and school spirit. The juniors came out in force to build the "Spirit of '76" junior class float. The idea of a Trinity rainbow stationed above the 1776 flag was the junior contribution to the bicentennial theme. On Nov. 19, the class presented a band assembly featuring Robert Jetton and the Panther City Pickers. Fund raising activities included a pickle sale in the spring plus a slave auction held during Valentine week. The Class of '77 started strong as sophomores, and continued this enthusiasm through the junior year at THS.

# BUTTON UP SPIRIT

The spirit of the junior class was overwhelming. The class officers and executive committee sold spirit buttons reading "Class of 77." Those who purchased the buttons showed their spirit by wearing them to pep rallies, football games or just to class. The button sales also served to aid the financial status of the class for senior year purposes.

## HOMEcomings HIGHLIGHTS

Homecoming for the junior class proved an exciting and rewarding activity. With only two weeks to prepare for Homecoming events, the junior float was busily assembled and won second place in float competition. The Homecoming Court contained the sparkling smiles of juniors Jan Guest, Jo Harp and Carrie Proctor. Juniors also participated in the first Homecoming Parade.

# Juniors Profit From Carwash, Junk Sale, Kite-Flying Contest.

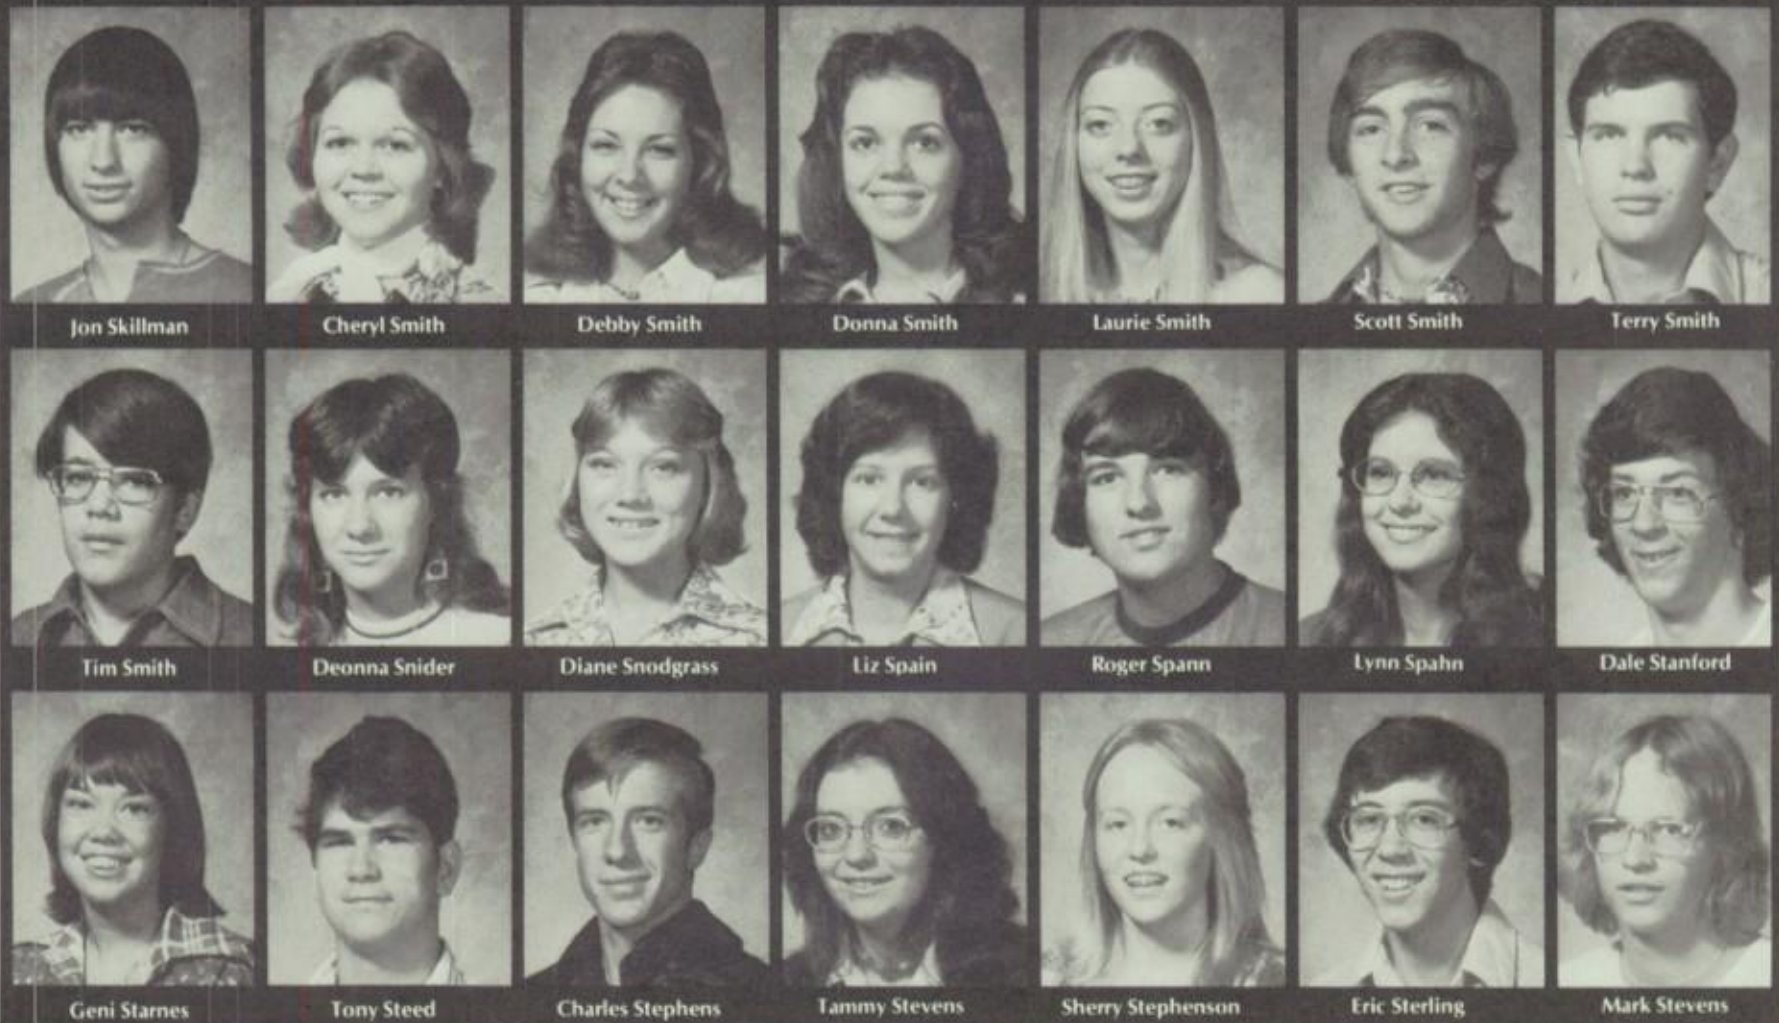

For money making projects the junior class sponsored a car wash, a junk sale and a kite flying contest. The kite flying contest happened at an area elementary school in April, with awards given neatest kite and flying ability. In an all out effort for cleanliness among Trojan cars, the auto wash, in May, afforded citizens a good car clean-up at a reasonable cost. The junk sale provided for the transfer of items stored in one person's closet to the closet — for storing — of another.

# STUDENTS WELCOME PICKLE BARREL

# SENIOR CLASS ON THE CHANGE

From beginning to end, '75-'76 was a very busy year for the class of '76. Homecoming rounded the corner right after registration, and Seniors busied themselves to participate in the Homecoming Parade and put together a prize-winning float.

The Seniors helped out Mom as they offered two film festivals catering to the young at heart. A dollar charge for the movies plus action at the refreshment stand put money into the senior class coffers.

A Disco Dance provided entertainment for all Trinity students, and the Senior Class also provided a donkey basketball game involving THS students and, of course, donkeys.

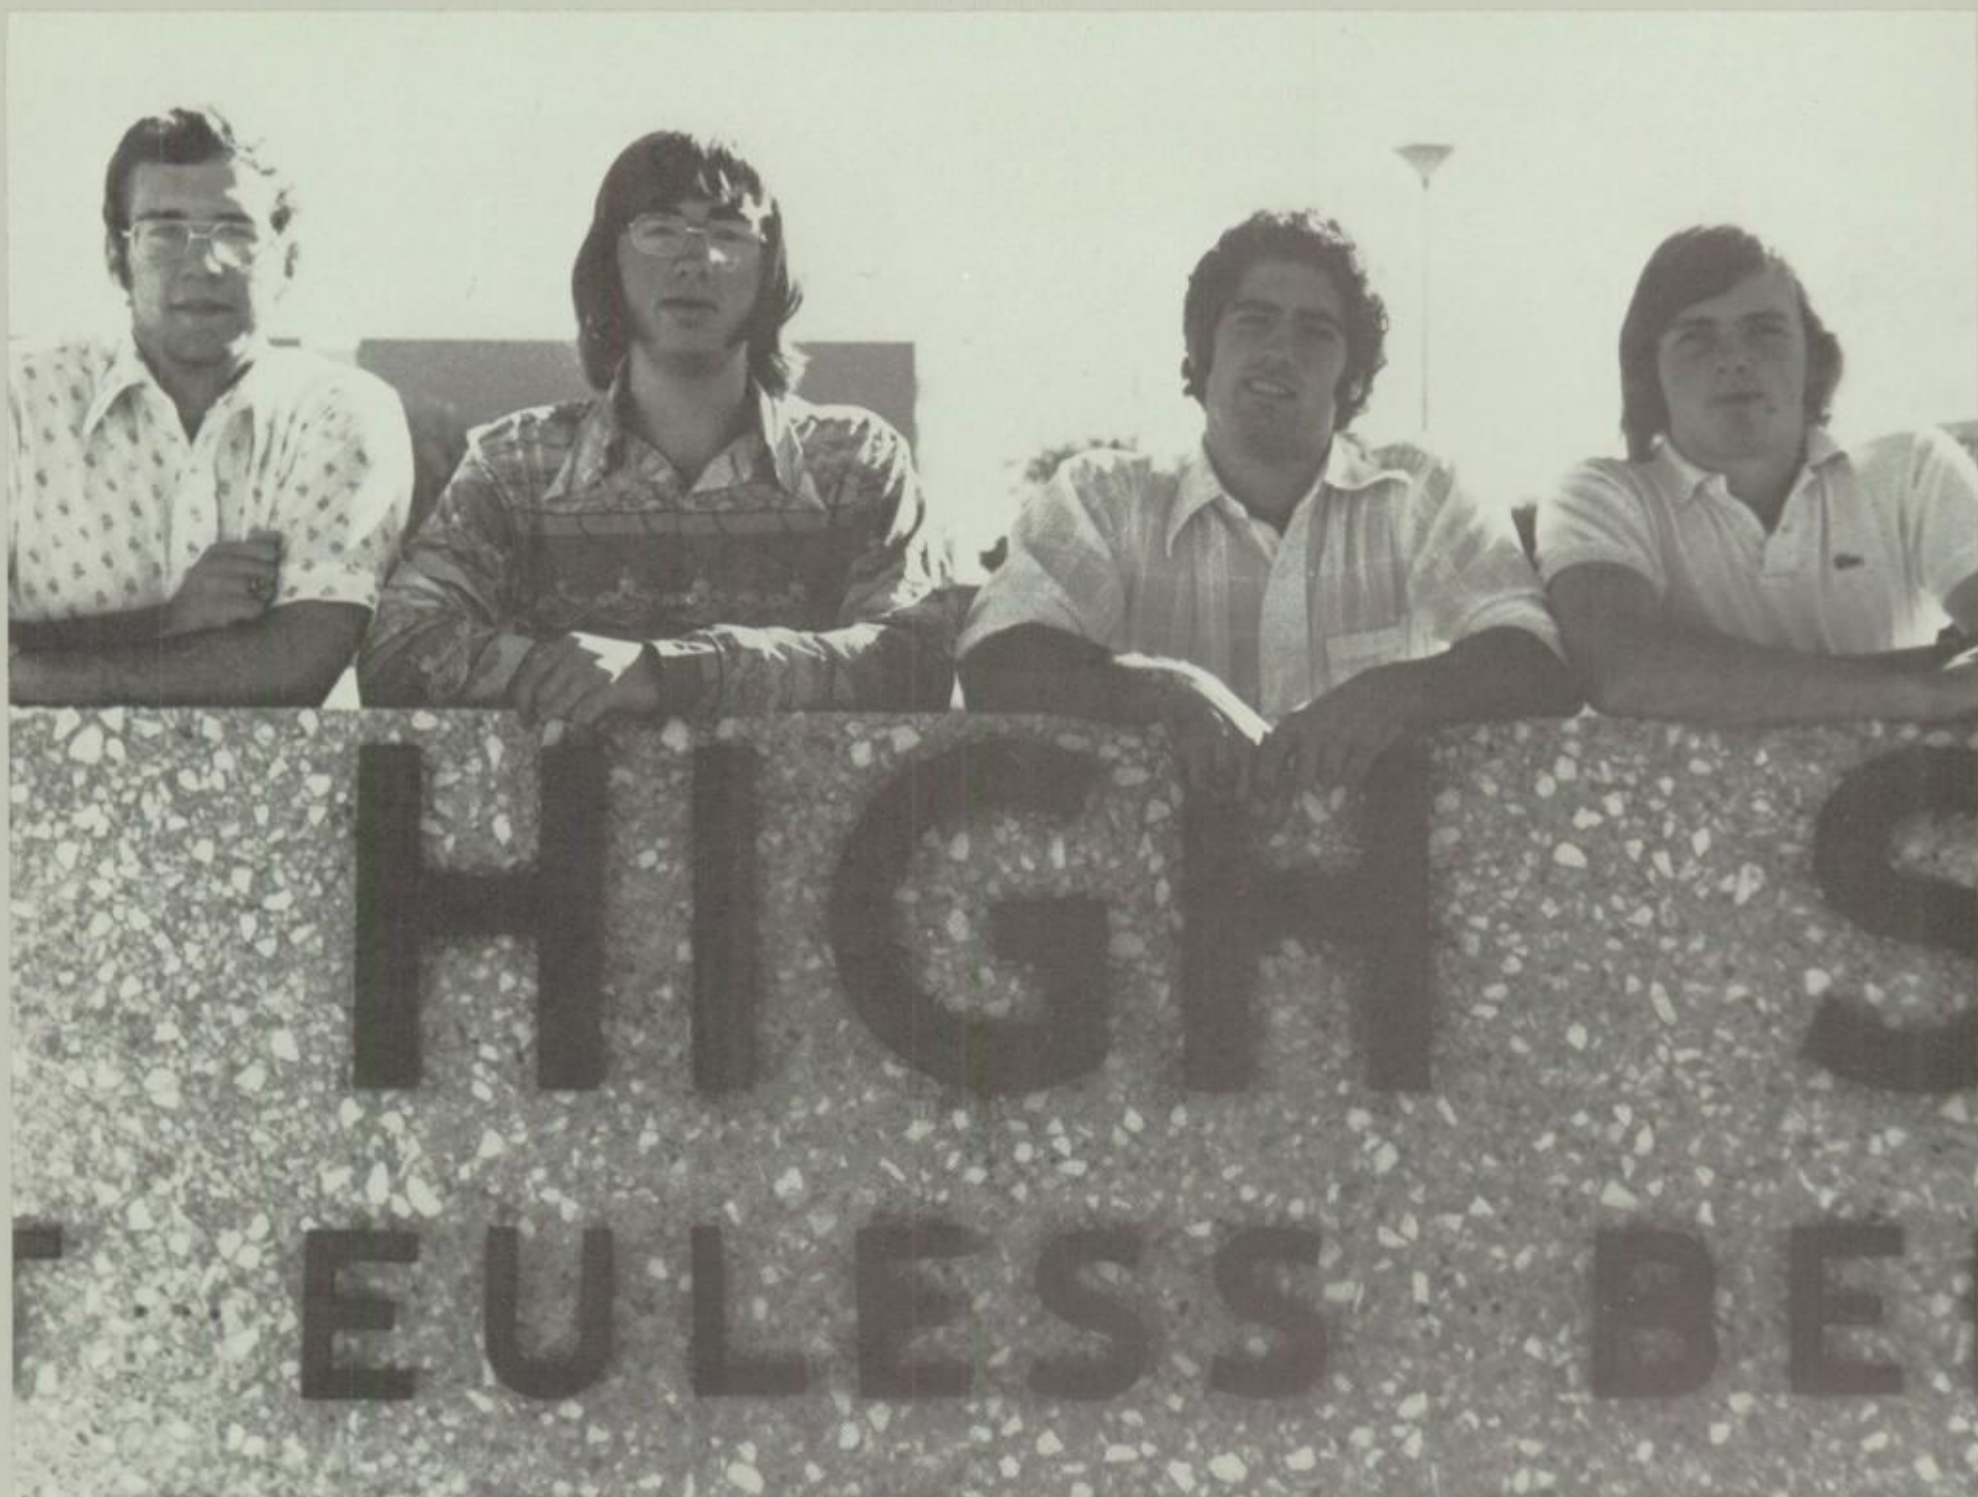

The Senior Class silkscreened a nifty T-Shirt depicting the Trojan emblem with printing signifying the Senior Class.

The class showed its class by lending an aiding hand to David Grass, a person close to Senior hearts.

A spirited '76 closed for Seniors with the Prom, held at the Royal Coach Inn.

Class Officers — Jerry Bundren, President; David Briggs, Secretary; Steve Pantuso, Treasurer; and Mark Underwood, Vice President.

## CLASS OFFICERS GIVEN A CHALLENGE

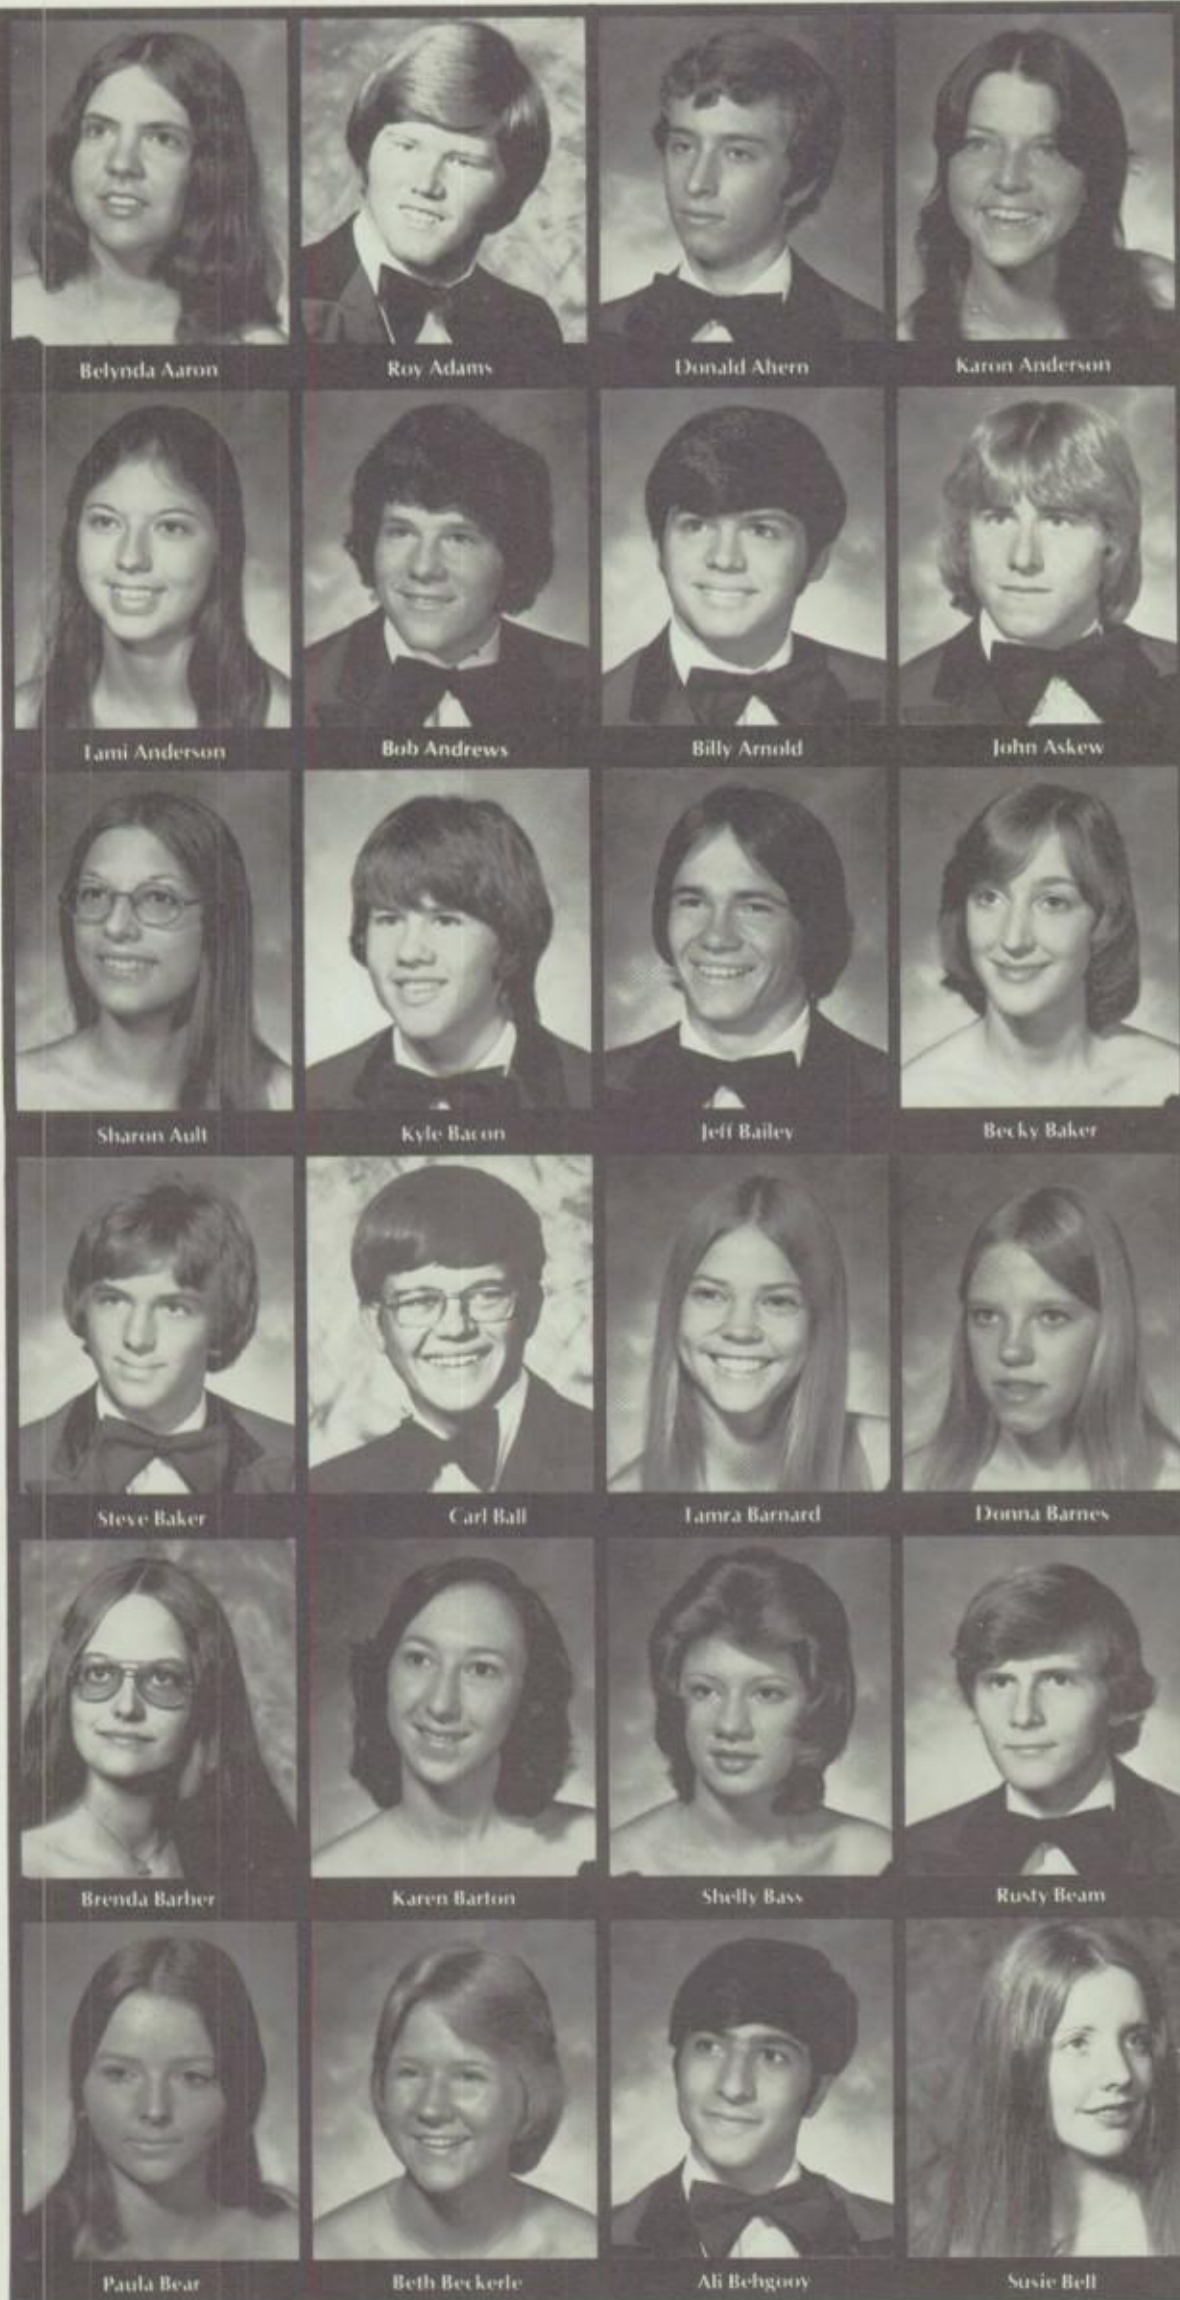

Senior class officers were selected by their peers in the Spring of their junior year. As elected officials for the senior class, their job was to act as a sounding board for senior class wishes and plans, taking these wishes and plans to the class sponsors for consideration. Items such as class motto, song, colors and flower plus prom and graduation plans were presented to the senior class through the efforts of this group.

Hard work from these officers made the Class of '76 unique to THS.

Class Sponsors — Mr. John Clanton, Mrs. Karen Ellis, Mrs. Wanda Montgomery, and Mr. Nelson Moore.

## CLASS SPONSORS PUT MUCH TIME INTO YEAR

Senior class sponsors Wanda Montgomery, John Clanton, Karen Ellis and Nelson Moore gave wisely of their time to insure the senior class graduation, graduation announcements, and the senior prom. Acting as liason between the senior class and administrative officials at THS, projects to meet expenses such as the senior class gift to the school are formulated and carried through.

Without the experience and guidance of the sponsors to the class of '76, every detail to provide a good year could not be enforced.

All sponsor efforts toward making '76 the "Year of the Senior" were greatly appreciated by the senior class.

Mrs. Ellis and Mrs. Montgomery sigh in relief after the successful film festival.

## SENIOR COUNCIL WORKS HARD FOR TOP SENIOR YEAR

The senior executive council this year consisted of 30 members with approximately 12-15 alternates. Students who wished to be on the senior council applied in the spring of their junior year. They were chosen for their willingness to unify the class, plus their eagerness to make their senior year a prosperous one. Meetings for the council were held on the first Tuesday of each month. At these meetings, decisions were made on the prom, Homecoming, the children's movie matinee, and other class projects. The responsibilities of each member were to relate to other seniors the events which were to take place throughout the year. This year, the council achieved its goal of maintaining student interest among the senior class. Credit goes out to not only those on the senior council but every senior who put in his time and effort to make the senior year one worth remembering.

Diane Woodard works on another council activity.

# AN EXCITING HOMECOMING FOR ALL

The seniors' first place float.

Homecoming proved to be a warm, satisfying experience for seniors this year. After three weeks of hard, time consuming work, the seniors produced an excellent class float. The theme for all floats this year was "Trinity's Heritage — the Spirit of '76." Keeping in line with this theme was difficult, since everyone was inclined to think of Trinity's heritage being included with that of the country's bicentennial theme. The senior float included a miniature model of the original buildings at Trinity, representing the beginning of Trinity High School, a bronzed bust of a Trojanhead — representing Trinity's mascot, and a bronzed eagle symbolizing the free spirit of all students at the school. Apparently, the homecoming judges considered the senior float the most deserving class, and named them winners of the float competition for the 1975-76 school year.

## MOTTO:

If a man seeks for greatness let him forget greatness

## SONG:

Oh Very Young  
By Cat Stevens

Oh very young  
What will you leave us this time  
You're only dancing on this earth  
For a short time  
And though your dreams may toss  
And turn you now  
They will vanish away  
Like your Daddy's best dreams  
Denim blue fading up to the sky  
And though you want him to last  
(Forever you know he never will)  
And the patches  
Make the goodbye harder still  
Oh very young  
What would you leave us this time  
There'll never be a better chance  
To change your mind  
And if you want this world  
To see (a better day)  
Will you carry the words of love with you  
Will you ride the great white bird into heaven  
The great white bird into heaven  
And though you want to last  
Forever you know you never will  
(You never will)  
And the goodbye  
Makes the journey harder still  
Oh very young  
What will you leave us this time  
Your only dancing on this earth  
For a short while  
Oh very young  
What will you leave us this time

I DIDN'T HAVE A THING TO WEAR

Beck Apeck,  
You used me and you  
know it but I don't care  
cause I liked you talking  
to me I thought you hated me  
but I guess you don't you can't  
cause I am a nice guy. I am just  
kidding, but I enjoyed you talking  
to me a lot I missed you the  
years you refused to speak to  
me. And I will miss you next  
year. I Love you, you better write

Love  
Amy

Becky  
Well it has been fun  
this year with you  
in my home and family  
living class. I like  
talking to you in class  
I wish you were my  
wife. Good luck

Love  
Don W. Young

Becky,  
you're a really  
beautiful person and I  
think a lot of you you've  
got a fantastic personality.  
I'm really glad I got to  
know you in drama. I'll  
never forget all she talks  
about everything. It seems  
like I wish you a lot of luck  
in everything you do. Good  
Bless ya. Love always  
Shelli  
Hope everything  
works out with  
you and John.  
P.S. Hope I see you  
around sometime!

Becky,  
Well this year is over.  
I sure had fun with you  
in drama. If you ever need  
anyone to back ya up just  
call me. Good luck  
Kusti

Becky  
IT'S BEEN AN AWRIGHT YEAR WE  
HAD SOME PRETTY GOOD TIMES AND  
PHOTOGRAPHY. WISH YOU LOTS OF  
LUCK IN THE FUTURE, TRY TO  
KEEP IN TOUCH EVERY ONCE IN  
A WHILE.

BECK:

WELL OUR LAST Year IS FINALLY over. WE've had a lot of fun together at Trinity. It's too bad you have to go off to Tech, oh well we can see each other on holidays. Becky, you're one of the best people I know, nice, good looking; well you know about all that B.S.. If you ever decide to leave JOHN for more than 5 minutes call me, will ya? It's too bad it all has to end, my god it's gone ~~back~~ so fast. Well I better quit taking up room. See ya around sweet heart.

Love ya  

Becky,

Well your graduating and it's going to be sad with out you. We've been through a lot together and it seems that so many times we have so much in common. You know what I'm talking about (Rudyt & John) We sure had a good time talking about everyone in our carpool. Believe me my carpool this year is terrible. I hope that things always come out the best for you. Because you're one of the only seniors that I really respect and care a lot for. We'll have to get together and talk about people like we used to. If you go to Tech I'll come up and see ya. Good Luck Always

Love

Nancy Clark

Becky,

I have thoroughly enjoyed  
this year seeing you on the  
Deill Team bus and at the  
football games. I'm glad  
we had a couple of classes  
together since it was our last  
year. You're really a great person  
I enjoy being around. I wish  
you luck in everything you do.

Love ya  
Lemmi Lueb

Becky,

You are the cutest person.  
1st tri was a blast, but 3rd tri  
Drama was a scream. I  
don't think I can ever  
forget our "Mary Hartman"  
conferences on who doing  
what or what's being done to  
whom. Oh well. I wish you  
the best of luck and I wish  
you the longest "friend-  
ship" with Sammy.  
You are both so compat-

able.

Love  
Valerie

(Don't forget  
the recipe  
for soup  
it's good!)

Becky,

It's been a lot of fun knowing  
you. We've had a lot of fun  
times. It's weird to think we're  
graduating. Keep in touch in  
the summer and good luck  
next year at Tech.

Love ya always  
Sherry
